When you look for the most room and the smoothest ride and the best value, you'll end up with a Chevrolet wagon everytime.

Chevrolet Impala, roomiest in its class. While extra roominess is perhaps the best reason for buying a Chevrolet wagon, consider also these bonuses: Body by Fibre, Chevrolet's revolutionary, flush and dry rockers and Mac-Plow-Miror finish. Chevrolet Mailbox, weatherstripped rubber floor. A Mailbox not only gives you a full 64 inches of extra bed, but the body mountings are double-cushioned. And Chevrolet carries eleven, it opens wide, 54 inches to the side, 28 1/2 inches high. Flip the second seat down and you've got 68 cubic feet of cargo space for all your gear. Chevrolet was built to take a sock. Chevy II News, best equipped for the money. All-weather upholstery is standard. Flush-and-dry rockers that clean themselves are standard. Standard panels beneath each tender to inhibit rust are standard.
