

LETTERS from our readers

Editor: The Mercury "Those Dirty Democrats"

Once in a lifetime people do such strange things as to try and analyze why they want to cut their throats. The best example of people hating themselves is now going on in Nicholas County.

Now let us talk about these "Dirty Democrats."

They say - I hope some day that I can meet Mr. "They Say," as he is the smartest man or group of men that ever had the privilege of hearing about.

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."

They say - "That they don't vote for people who have anything to do with the size Administration."
