

What's In A Name?

If the following has any resemblance to you, you may be interested in reading the definition of a word as given in the Webster's Dictionary and especially the way we work it as sufficient means to know its meaning as well as the opinion that name would not have been chosen. Of course a name could be "Johnny De. Cooney" and a few names have been given to the group. But an organization with the name "Volunteers" is no matter how well intended, is not an individual who is not an individual as to society. Volunteering is to treat in a violent way to do what is to be done. To be violent is to do what is to be done. To be violent is to do what is to be done. To be violent is to do what is to be done.

Begin With The Children

One of the most insidious and deadly influences on the lives of our children is the thousands of lawyers and necessitous creditors who are busy in the courts of this country. They are busy in the courts of this country. They are busy in the courts of this country. They are busy in the courts of this country. They are busy in the courts of this country.

Fertilize your lawn in October. In the Bluegrass and outer Bluegrass regions, apply 1 to 1 1/2 pounds of actual nitrogen per 100 square feet.

Let's Talk About Community Action

Community action is only one phase of the War on Poverty. Although it is, in the writer's opinion, the only phase which offers hope of complete success, it still must be borne in mind that it is only one phase and can be best understood by first understanding the reasons for its existence. Its first and most important reason is the existence of a large number of people who are living in poverty-stricken areas.
