ACROSS THE KENTUCKY ON I-71—Construction moves ahead on this I-7 bridge snan across the Kentucky River from Carrollton in Northern Kentucky

"CAN'T YOU STOP THIS THING?"

WHO PAYS WHOM? In order for husiness to survive it must have

care by them, and the control of the

state obtains federal ruther than local funds, costly bureaucratic paperwork and control result in least. Has the Administration created a perpetual mo-tion juggersaut in mondefense pending! Can it be stopped? Is this heavy moving vehicle beyond the have the people, the voters, the tanyaper—both their grip on governmen?! and supple reserved for discussion by professors, economists, public offi-cials and politicians—it's becoming street-correc-rence of the professors, economists, public offi-cials and politicians—it's becoming street-correc-rence of the professors, economists, public offi-cials and politicians—it's becoming street-correc-rence of the professors, economists, public offi-cials and politicians—it's becoming street-correc-tors, and the professors of the professors of the budget. It would be vise for Congress to avoid pass-ing new legislation and to do everything within its power to curtail measuring protect.
