CUTTING A CORRIDOR ON KY. 15.—Construction moves ahead on this section of Ky. 15 in Perry County near Hazard, Kentucky Highway Commissioner Mitchell W. Tindor says that 26 miles on Ky. 15 between Jackson and Hazard are now under construction.

**YOU AND YOUR HEART**

September and the sound of school bells should alert parents thinking about a health check-up for the schoolbound youngster, according to the Kentucky Heart Association.

An examination would be a prudent one for many children, especially those who have a family history of heart disease or who are overweight.

Dr. Fred W. Tindor, director of the Kentucky Heart Association, said that a health check-up for the schoolbound youngster is important because it can detect heart disease before it becomes a serious problem.

Dr. Tindor said that a health check-up for the schoolbound youngster is important because it can detect heart disease before it becomes a serious problem.
