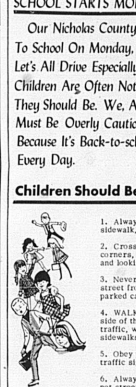
SCHOOL STARTS MONDAY.
Our Nicholas County Children Start To School On Monday, Aug. 26. So, Let's All Drive Especially Carefully. Children Are Often Not As Careful As They Should Be. We, Adults, Therefore, Must Be Overly Cautious Not Just Because It's Back-to-school Time, But Every Day.
Children Should Be Reminded.


1. Always walk on the sidewalk, away from traffic.
2. Cross streets only at corners, stopping first and looking both ways.
3. Never step into the street from behind a parked car.
4. WALK on the LEFT side of the highway, facing traffic, when there are no sidewalks.
5. Obey police and respect traffic signs.
6. Always use playgrounds, not streets for play.

KILL EVEN THE "SUPER" FLIES

It might be said that flies are flies. But there are strains of "super" flies that have developed an immunity to older insecticides. PURINA FLY BAITS are highly effective against "super" flies as well as the ordinary kind. They contain two remarkable insect-killers that kill flies outright...plus "come-and-get it" attractants that lure flies, then kill 'em in bunches. Control flies this summer with powerful, low cost, Purina Fly Bait...available at our store.
