SANTA LETTERS

Continued from Page 3

Dear Santa, I'm a little boy 14 months old. I've been a good little boy. For Christmas I would like for you to bring me a big truck and some clothes. I won't ask for much Santa because there is other children who won't have any Christmas. Don't forget my cousin, Kavana and Tracey Lynn Finn, the girls in Fairborn, Ohio. Remember my Grandma's and Papa's, mommie and daddy.

Love, John Darrell Glass P.S. I'll leave you something to eat under the tree.

Dear Santa, Well, here it is, time to write to you again. I'm afraid I have the same old story to tell. I try to be good, but sometimes I'm impossible. Now here's what I would like for you to bring me. I'd like a Mattel-A-Phone, a road race car, a robot, and anything else you think I might like. Please be nice to all the other little boys and girls. I'll be waiting for you and will leave you something good under the tree, I love you.

Your little boy, Darren Green
Dear Santa, I am a little girl 7 years old and I have tried to be good. For Christmas I want a Tippy-Toes doll, typewriter, animal, telescope, and a new white watch. I will leave you something under the tree. Don't forget my little brother and all the other little boys and girls.

Love, Janet Sue Livinette
Dear Santa, We are two little boys, Johnny, 5, and Jeffrey, 4. We aren't really bad but we like to misbehave. We will try to improve. I want a bike with training wheels, and Jeffrey wants a sled. We also want some little toys and candy. We will leave you some cake and milk under the tree.

Your little boys, Johnny and Jeffrey Howard
P.S. Please don't forget all our grandparents and friends, and my name to my mother. All the other little boys and girls and our cousin in Vietnam.

Dear Santa, I saw you tonight, and I cried because I didn't get to talk to you, so I will write.

I am three years old, and I want toys, whole lots of 'em, but most of

all I want a Jaguar Race Car, that I can ride in.

Your little girl, Marsha R. Lyons

Dear Santa, We are two little boys seven and two years old. We have tried very hard to be good and it was really a hard, hard job. But if you will forgive us this year we will try much harder next year to be better boys. We want you to bring us a target-land set, walkie-talkie and a farm set, and anything else you think they would be nice. Please, please, Santa, don't forget to fill our stockings with nuts, candy, gum and fruit. We will leave something under the tree for you.

Love, Your little boys, Terry and Randy Doyle
Dear Santa Claus, I'm 3 1/2 years old now. My name is Dawn, and this year I have a baby brother, 10 months old. Mommy is writing our letters for us. This Christmas I would like for you to bring me a Tippy-Toes Doll and a stroller, a monkey that talks, a epigraph game, mechanical cash register, and a baby brother. I would like a Tricky Double Duck to share. Anything else you want to bring us, but this will be enough. Don't forget all my friends, and all the other boys and girls. I will leave you a treat under the tree.

Your little girl, Dawn Carol Ryke

Hi Santa, This is my first letter to you. I'm just 10 months old and my name is Anthony. My big sister, Chris and I would like a Tricky Double Duck to share. Anything else you want to bring us, but this will be enough. Don't forget all my friends, and all the other boys and girls. I will leave you a treat under the tree.

"With electric home heating we have just one cost...pay just one bill...and save in ways we hadn't even expected!"

SAY MR. AND MRS. PAUL JACKSON OF MOREHEAD. "Looking back, it's obvious that the heating system in our old home was costing more than it's worth," says Mrs. Jackson. "There were repair bills for example, carpet and drapery cleaning bills—even the cost of electricity to fan the heat through the house! In our new electrically heated home there aren't any hidden expenses."

And our monthly electric bill is no more than all the separate ones we used to get, adds Mrs. Jackson. To find out about the many ways electric home heating can save you money, call our local office.

Bluejacket Country

What's ahead in Bluejacket Country, Maysville, Ky., Patrick, Friday. Yes, the jackets play their third straight road as they travel to Maysville to get what they hope will be their third straight win. The jackets meet the M. M. I.
