CHRISTMAS IS A NICE WARM FEELING. It's both on the mantelpiece, and candles in the window, and homemade cookies in the cupboard.

Christmas is a tree that's shiny and beautiful because somebody took the time to make it that way.

Christmas is a child, flushed and laughing, in a tangle of toys under that same tree. It's the sleepy Santa Claus who assembled a tricycle, or a toy train, or a doll.

Christmas is staying in touch with old friends and sharing good things with new ones. It's the same every year, and it's different every year.

Christmas is loving. That's what it's all about.
