Torino...for people who know there's more to a performance car than painted stripes.
 Anyone can paint stripes on a car. Ford's performance champs earn their stripes the hard way. Torino swept the first five places in the Riverside 500. It's the Pace Car for the Indy 500. It's the hottest-selling new car in the country! Fairlane took first place in its class for braking and for economy in the Union/Pure Oil Performance Trials—in fact, Ford Motor Company cars won more classes than all other manufacturers combined! If its performance you want, ride with a winner! See the man with Better Ideas... your Ford Dealer.

FACTS ABOUT THE 1968 TORINO
 When Torino takes the first five spots in the Riverside 500, first time out, you know it's tough. These cars, too, are tough. They were designed by professionals and were modified to meet the most demanding conditions. But the same kind of basic durability and maneuverability built into every Torino we make. So if you want stripes, get 'em on the car that gives them meaning! Choose from three GT models—fastback, hardtop and convertibles. All with a 289-cu. in. V-8, well-tuned carburetor, all-steel interiors, styled steel wheels and wide-track. Or choose the regular hardtop or 4-door sedan. Like the new standard 160-hp. 351-cu. in. V-8, 161-hp. wheelbase for smoother riding comfort, more room and more head space. You can even have a Torino Squig wagon, with 2-way Magic Coupe.
