gram aides are set up to further interest and let each girl further their service to one of the most important aspects of Girl Scouting, but desire to serve must be backed with skill. The girls choose the field in which they are most interested, they are trained, and they are given a chance to use their training. Some qualifications to be a service aide are: Be a registered Girl Scout and an active member of the troop; Be at least fifteen years of age and have completed the 7th grade. Take special training for the service; Meet the special qualifications for the service of their choice; Have ability to work under adult supervision; Give at least fifty hours of service following the training.
