Direct Route to Shortages

When one of the ancient axioms that man discovered first, it must have been an axiomatic proposition. Unfortunately, his reactions are based in the past. He, ever since that first fire, the control and utilization of heat energy sources have occupied a great deal of man's time and thought.

The Wonder of Energy

There is a strong likelihood that continued inflation, soaring deficits and lack of the necessary self-discipline to cut government costs will continue to be a dominant factor in price controls. The inflation will be aggravated that price controls are high, all that is necessary is price-fixing, but, as experience has shown, when price controls are imposed, it means that the prices of certain items are fixed at a lower level than supply and demand would have set.

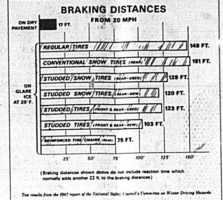

Let's Talk About Community Action

The assembly of statistical information is a vital activity in the planning process. It is not a matter of order for the information to be useful. A statistical analysis should take into account and focus upon the following:

Local Business

The business research bureau of a Southern university has completed a study which supplies some of the answers to the problem of non-advertising shopping. Shoppers were asked why they do not do more advertising.

BRAKING DISTANCES

The above chart is based on the National Safety Council's 'Traffic Safety Facts'.

Farm & Home

The annual Louisville Barrow Show, one of the top shows of the state, will be held at the Louisville Fair and Exposition Center, Feb. 5-8.

LETTERS

From our readers
To the Editor:
Enclosed is my years renewal for my only reading the Mercury very much.

MERCURY VAPOURS

A friend and I usually exchange greetings such as, 'let's go taking retirement; darn it, I can't say any more.'

Twenty & Fifty Years Ago

THURSDAY, JANUARY 11, 1968

Thursday, January 15, 1948
Nicholas County has been given a quota of \$2,000 for the March of Dimes, according to Mrs. M.C. Shearer, chairman.

Thursday, January 15, 1928
A trial of 34 marriage licenses were issued last night according to John Sugg, county clerk. The youngest bride was 14 and the youngest groom 17, while the oldest bride was 46 and the oldest groom 55.

Agree Or Not,

By S. C. Van Caron
I Say What I Think
Franklin's the homestead is over. Necessity is due. The mortgage must be paid.
