Out-of-State, one year...\$4.00

An Overhaul Needed

When you go to college, he said, you should be getting in your political education...
As one reads of lawlessness and rebellion in colleges and universities throughout the world...

MERCURY VAPOURS

Return of the Square
"Square" another of the good old words, has gone the way of "live" and "dead" and "partitions"...

LETTERS from our readers

Editor, The Mercury:
I read Van Caron's article about the Meritt System and I am sure you will find it very interesting...

THEY BALANCE

INDEPENDENCE DAY--1968

Two-Sided Coin

The U.S. has carried the idea of individual freedom farther than any other nation...
In no other country do young people have the degree of freedom allowed in the U.S. today...

Agree Or Not,

You diamally disagreed, improperly apportioned the past, stand up! Stand up and be counted!
You squabble who turn the wheels and dig the fields and move mountains...

I Say What I Think

By S. C. Van Caron
A recent column here pointing out that jobs and patronage are the biggest headache of the legislature...

THURSDAY, JULY 4, 1968

In the midst of turmoil throughout the world, we should reflect on the fact that which had its beginning 192 years ago...

We must continue to support honest law enforcement without any personal privileges or exceptions.

As Herbert V. Prochnow, former president, First National Bank of Chicago said, "If you demand that the government of the people, by the people and for the people, you must exercise your right of franchise at the ballot box..."

Farm & Home

Mr. and Mrs. Allen Hopkins announce the engagement of their daughter, Louise to Manuel William Aldridge of Colorado Springs...

Local Business

The total business results from a survey of 100 retail stores in the Carlisle area...

Consistent Advertising Has a Cumulative Effect

Another case in point in advertising is the Central office here in Frankfort...

Local Business

The total business results from a survey of 100 retail stores in the Carlisle area...

THURSDAY, JULY 4, 1968

to retain enough leaf buds for development of strong suckers, best they should not be cut at a height of more than six to eight inches above the ground...

Students with simulated hail show that when hail leaves longer than six inches were stripped from the plants...

Only a few leaves will develop following a severe hail storm in the late stages of plant growth...
