

# GIANTS BEAT VETS 5-4

By Allen Waugh

As the grasshoppers (Giants, former "debeards" and "headies" thereof) and the manager as they became the first team to defeat the Vets in a Babe Ruth League 5-4 a rubber game Friday at the high school athletic field.

The Giants wanted no time in getting into the game. Steve Mitchell, the tallest first base on an error by starting pitcher, Billy Hunter, allowed them to get to third when Charlie Jolly walked. With one out and two runners on, winning pitcher Milton Fryman doubled the center batting in Mitchell and Jolly to help his own cause. He then stole third and scored the third run on a sacrifice by Dennis Hunt.

The Vets came right back with a run in the bottom of the first as Billy Hunter doubled, went to third and scored on a passed ball.

In the second frame Hunter got in again as Steve Mitchell, who had Troy Miller and Roger Walker, with Hunter, doubled and scored. The Giants led 2-0.

With the bases loaded the center fielder Steve Mitchell to send the "ducks" for a home run. Hunter then walked Charlie Jolly to give the sluggers a back the run they lost. With the bases

still loaded Jim Flora found out to Hunter to leave three Giants stranded on base and the score 4-1.

Flora had the Vets eating out of his hand with two out in the third but the roof fell in on a couple of bad plays. Vets first sacker Steve Kimberling walked, Gene Smoot singled to right to put one on. Roger Walker barked, Gene Smoot singled to right to put one on. Roger Walker barked, Gene Smoot singled to right to put one on.

in the fourth, Hunter walked and was hit on the foot by Ernie Compton's ground ball. Hunter was on his way to second. Rodney Hutton hit a nubber and was thrown out catcher first.

In the fifth Steve Kimberling reached first on an error by relief first baseman Gary Stone, playing in his first game after an early season injury. Second baseman Allison made a above average catch of Gerald Hunter's "roving quill" that caught first base coach Billy Hunter asleep and Kimberling was tagged out.

With the bases loaded and one out Rodney Hutton hit a sinking line drive to right fielder Donita, who made the outstanding play of the game and Billy Hunter was caught off second by the Giants' pitched their second double play of the game.

It was do or die for the Vets as the seventh, Steve Kimberling angled to left, went to second and stole third with nobody out. Jim Flora reached back and got Gerald Hunter to fly into nobody out. Jim Flora reached back and got Gerald Hunter to fly into nobody out.

## Dodgers Win Second Game

By Allen Waugh

A double by Sidney Anderson and a triple by Doug Fuller paved the way for the Dairy Queen Dodgers over the Braves 6-3. The game was rained out Thursday and was played as a make-up game on Saturday.

Four runs scored in the first by Don Sharp's single. He later scored as Quinn Michalski got on through on an error by Braves right fielder Paul Feckbach. Then Anderson doubled and Fuller tripled and scored the fourth run.

The Dodgers scored again in the fourth when starter and losing pitcher Steve Jolly walked Larry Watkins with the bases loaded.

The first rally for the Dodgers came in the third. The losing Braves scored one run in the third, fourth and sixth inning on back to back singles. This was the second win for the Dodgers and both have been against the Braves. Larry Watkins has credit for both wins.

strong team and it takes a combination of good hitters, fielders, and pitchers to beat them.

Now that times have changed, Snapp let Ernie Compton bat for Mike Mitchell. The strategy worked too as Roger Livingson singled to put two on and second baseman Billy Allison then singled in the winning run. After that no Giant men reached base again.

## Former Vet Bat Boy Makes Good with Braves

Main Street has smiled the hearts of many fans at the Babe Ruth League. The "M-1" batter has enjoyed his playing and listening to baseball for over six years. Kenneth asks, sleeps, and drinks the game of ball and is ready for a conversation about his Vets Friday. Tallies would start but there is no joy in whatever, Moby Fryman has struck out."

asked by Vet head coach Hill Snapp to be the V.F.W. bat boy. At this time he said he had no idea he would ever be a player.
