State Advisory Council To Study Title III Plan

Frankfort--Superintendent of Public Instruction Wendell P. Butler has appointed a State Advisory Council to assist the Department of Education with formulating a new State plan for Title III (Federally financed) projects during the coming fiscal year.

Butler said if a project is "not making it happen in the classroom" then it should be discarded and another project tried in its place.

Frank Vittetow, Assistant Superintendent for the Bureau of State-Federal Relations, explained that the Title I section within the Elementary and Secondary Education Act of 1965 provides for "educational innovations, experimentation and the processes of change."

Stating that $3,071,000 was allocated to Kentucky during fiscal 1968, Vittetow estimated a similar amount would be made available for the coming fiscal year. Funds are administered to individual states through the U.S. Office of Education, he stated.

According to Vittetow, the change is the result of the new law (P.L. 247) which gives statutory authority for creation of the new Advisory Council by the Superintendent of Public Instruction. Another change includes expanding the Title III Office within the Bureau of State-Federal-Relations.

Mitchell Davis of Louisville was named as chairman of the new council. Other members are; Raymond Barber, Principal Allen County High School; Maurice Bement, Executive Director Kentucky School Boards Association, Lexington; Rev. Thomas Casper, Superintendent Louisville Catholic Schools; Marvin Dodson, Kentucky Education Association, Louisville; Ralph Fontain, Executive Vice President Kentucky Bankers Association, Louisville.

Dr. Lyman Ginger, University of Kentucky; Frank Vittetow, Asst. Superintendent Bureau of State and Federal Relations, Frankfort; Russell Garth, Principal Atherton High School, Louisville; Russell James, Paintsville Elementary School; Mrs. Ruth Johnson, Supervisor Special Education Jefferson County Schools, Louisville; Mrs. Robert Phillips, Louisville; Dr. Newman Walker, Superintendent Paducah Independent Schools; Miss Margaret Willis, State Librarian, Department of Libraries, Frankfort.
