Hospital Auxiliary

The auxiliary of the Nicholas County Hospital was organized in the spring of 1967 with the objectives of making patients more comfortable and the patient's environment more pleasant.

In the first year two dozen bibs were made to be used for the elderly patients, two dozen stuffed toys for small children, lap robes to be used by patients in wheelchairs were made also. A Christmas bazaar, handmade gift items, the Nicholas County Hospital open house last fall were sponsored, Twenty-five per cent of the dues were given as a scholarship to a nursing student.
