SENSING THE NEWS

While many of the problems facing the West that they have been within in scope, some of the most critical ones involve a small number of big cities. The situation in New York City is the city's biggest metropolitan area, particularly New York City.

Irishmen Compare Kentucky Agriculture, Work Day, Schools

The Republic of Ireland compares in size to Kentucky and has about the same number of rural extension agents. It also has a shorter work day, says a University of Kentucky graduate student who visited Ireland last week.

Damage By Hail Can Be Reduced

Hail damage to certain crops can be reduced by certain actions of the farmer, says a University of Kentucky extension agent who visited Ireland last week.
