Paris Homecoming Queen

Debbie Coleman was crowned Paris Homecoming queen during the half-time ceremonies of the Paris-Richmond Madison football game.

She is shown with Paris Mayor Emil Batta and her father, Coy Coleman. She is the daughter of Mr. Odetta Miller of Carlisle.

Miss Coleman was also runner-up in the Blue Grass Festival in Cynthiana.

Two Kentucky Area Agents Get National Service Awards Oct. 17

LIFEVILLE, Ky., Oct. 17 (Special)—Two Kentucky area agents of the Kentucky Cooperative Extension Service were honored here tonight by the National Association of County Agricultural Agents.

They are: Levi Oliver, area extension agent in Princeton, Caldwell county (Fayetteville Extension) and Faye Abernethy, area extension agent in Glasgow, Barren county (Mammoth Cave Extension Area).

They received Distinguished Service Awards at the county agents' annual awards and recognition dinner here tonight.

Annual VA Income Questionnaire Due January 15

For more than 41,000 Kentucky veterans and dependents on VA pension benefits, the 1968 law creates 18 income brackets instead of three, ranging from \$400 to \$2,000.

Annual Unlimited Fishing Set At Kenlake State Park

The annual fishing Unlimited program at Kenlake State Park, which will be held the first three days of November, starting at 6 a. m. after sunrise and ending with mid-day dinner.

Special rates are in effect. The bargain weekend rates \$25 per person including meals (especially prepared for fishermen) and two nights of lodging.

Catch limits will be awarded for largemouth bass in five classes; large mouth bass; smallmouth bass; string bass; crappie; and blue crappie.

Daily fishing tickets will be held by the Game and Inland Fisheries Department in the park.

Congressman Watts is doing a great job for Central Kentucky

Our Congressman John C. Watts has risen high in the halls of Congress.

From his post as third-ranking member of Congress' single most important committee... Ways and Means... he is in a unique position to best represent the interests of Central Kentucky.

When Watts speaks out on Kentucky's behalf, his fellow Congressmen listen. They know that he speaks with an authoritative voice.

In the 18 years he has represented you in Congress, Watts has indeed done a great job. He's done a great job on tobacco problems... livestock and other farm problems... economy in government... law and order... small business problems... and on the countless individual services performed for Kentucky's citizens needing assistance.

Why The Christian Science Monitor recommends you read your local newspaper

The local newspaper keeps you in touch of what's happening in your community. It's the only source of news that's local and timely. It's the only source of news that's local and timely.

KEEP YOUR STRONG VOICE IN CONGRESS

What others say about John C. Watts...

"The re-election of John C. Watts to Congress is a concern of first importance to all of the people of Central Kentucky. Tobacco is our principal source of farm income. During the time John Watts has served this District he has given prompt, able and effective attention to every question and situation involving the interests of Burley tobacco growers. He is the recognized tobacco leader in the Congress and is needed three times more than ever."

RE-ELECT JOHN C. WATTS YOUR U.S. REPRESENTATIVE

John C. Watts has long been Central Kentucky's spokesman in the nation's capitol and has served us well. He has been a tireless and energetic spokesman for the business climate we enjoy, to the ever rising standard of living we have made possible. Law and Order: The Lexington Herald recently termed John Watts...

Businessman and former State Senator
"Re-election of John Watts will assure Central Kentucky of two more years of loyal and distinguished representation in the United States Congress."

Fair Tobacco Revenue and Production Policies

John Watts has rightly been called the tobacco farmer's champion in Congress. From his high ranking position on Ways and Means, Congress' tax-writing body, Watts has successfully fought every attempt by the enemies of tobacco to subject producers to the new taxes. As a former member of the Agriculture Committee, he has been successful in opposing the tobacco excise tax. As a former member of the Production Control and Price Support programs, over the years, he has fought hard—and with the most success—against unfair acreage cuts in Burley tobacco.

KEEP YOUR STRONG VOICE IN CONGRESS

What others say about John C. Watts...

"The most impressive thing about Representative John C. Watts is his detailed knowledge of and interest in worthwhile projects in his district. He worked with us on local campaigns and was of tremendous help in our new health care bill. He has been a tireless and energetic spokesman for the business climate we enjoy, to the ever rising standard of living we have made possible. He has been a tireless and energetic spokesman for the business climate we enjoy, to the ever rising standard of living we have made possible."
