Missionary To Speak At Weslyan Church

Rev. Roger Russell, a missionary of the Weslevan Church to Zambia, Africa, will speak at 7:30, April 18 at the Carlisle Wesleyan Church, on 486 E. Main Street.

Mr. Russell is on furlough after a term of missionary service in Zambia. His assignment was at Jembo Mission, one of the denomination's largest mission stations. Along with his duties as a pastor of the Jembo Mission church he was in charge of the work of the farm which is maintained in connection with the mission. For a considerable portion of his term he was mission station superintendent and in this capacity had the supervision of its schools and hospital. He also carried on a heavy building program at the numerous outstations.

He will have some interesting things to tell about the field where he has labored, its people, and the ministries of the church there. Colored slides will be shown. There will be curios from the field on display.

The Wesleyan Church has missionary work in 26 foreign countries, 254 missionaries and 1,332 national pastors and evangelists serve the church in these countries. While the major emphasis is placed on gospel evangelism, an extensive medical and educational program has been carried on by the denomination in several areas of this worldwide missionary enterprise.

The pastor extends a cordial invitation to all in the community to hear Mr. Russell.

"All of us enjoyed perfect comfort this winter,"

says the Hillyard family of Rte 2 Henderson,

"thanks to electric heat and temperature control in every room."

"Never saw such family harmony," grins Budie Hillyard. "Our electric heating system provides a thermostat in each room. Family room, bathroom, bedrooms -- everybody chooses personal comfort. Saves money too, to shut off the heat where it's not needed."

"There's harmony when it comes to housekeeping too," adds Mrs. Hillyard. "Electric heat is so clean it saves hours of work. And we won't have to redecorate for years. That's real money saving too!"

Before you build or remodel ask our local office all about electric heat and its reasonable cost. Flameless electric heat won't burn a hole in your pocket!
