Better make sure you get electric heat
for draft-free wall-to-wall comfort

With *electric* heat the whole room is bathed in gentle warmth — wall-to-wall — floor-to-ceiling. It's just like sunshine itself. Electric heat responds quickly — provides even, comfortable temperatures without wide hot and cold swings. And electric heating units can be installed along window walls or other areas where most of the heat is lost. They build an efficient wall of heat to prevent chills from penetrating the room or causing drafts along the floor.

Before building or remodeling, ask our local office all about wonderful, modern electric heat... including its reasonable cost. Flameless electric heat won't burn a hole in your pocket!

News About Ky. Parks Package Visitors Increase

The Department of Parks' $44 Fall and Winter Package Vacation Plan, now in its second season, continues to increase in popularity.

Last week, for example, more than three times as many park visitors took advantage of the vacation bargain as did during Thanksgiving week last year.

Parks Commissioner Robert E. Gabbard said, "I am truly delighted that more and more people are discovering the enjoyment and relaxation which can be found during the cooler months at seven of our fine State Resort Parks. Our Package Plan offers an ideal way to 'get away from it all' for a few days at a very reasonable cost."

The special plan features luxurious lodge accomodations and deluxe food service for five days and four nights, including all meals from Sunday evening dinner through Thursday luncheon, at a cost of only $44 per person, based on double occupancy.

At this time of year there is an unhurried atmosphere at the resort lodges, and vacationers find plenty of time to laze away before or after a big fire with a good book or to take part in some of the activities planned by the park Recreation Directors. For the more adventuresome there are scenic hiking trails to be explored and a full range of outdoor sports to be enjoyed.

The Package Plan is available every week from now through March 26, 1970, with the exception of the week of Christmas and New Year's. Resorts participating in the plan are Barren River, Cumberland Falls, Jenny Wiley, Kentucky Dam Village, Lake Cumberland, Natural Bridge, and Carter Caves. Additional information and reservations may be obtained by calling the resort of choice, or by telephoning the Department of Parks' toll-free Reservation Service, Frankfort, Ky., 502-223-2326.

NICHOLAS COUNTY 4-H CLUB OFFICERS and their leaders who attended the 4-H officers Training School held on Dec. 1. Some of the club members and leaders were not present when the pictures were taken.
