

From Any Angle It Will Be a Nice Home for 30 Families, But It Won't Be Ready This Christmas

Work goes on in spite of cold weather. These four buildings containing 30 units are scheduled to be completed by June 1. An OEO project, with Federal funds obtained through the Licking Valley Community Action Program, will bring much needed modern housing to those qualified. It is also a sign of growth for Carlisle. A member from each church in Carlisle comprises the board of the housing project. There will indeed be more news releases published at a later date.

Slick Roads Dec. 18 Immobilize Traffic Throughout Nicholas

Cars were stranded from Clark Lee's curve to the intersection of U.S. 68 and Ky. 36 last Thursday morning, Dec. 18, as a thin coating of ice immobilized traffic throughout the County. Sheriff Emery Clark stated he had stopped near the Clark Lee's curve to await another automobile's driver to arrange the vehicle up when the stopped vehicle slid across the banked curve into the shoulder of the road. Woodrow Wilson's wrecker answered our calls. Miss Vickie King at the intersection of U.S. 68 and Ky. 36, Dept. Christmas In Korea

This is a letter from David Neal, son of Rev. Paul Neal of Riverside, Calif., and grandson of Mrs. Gay Neal, Carlisle, dated in service with the U.S. Army in Korea.
I have been spending my Sundays at the orphanage here. There are 112 orphans in this orphanage.
When we were here last Sunday the kids were eating their dinner which consisted of raw potatoes and more raw potatoes. We had taken 10 gallons of raw cream. The kids dipped their raw potatoes in their raw cream to make them taste better.
They sang Christmas carols after they ate, then we went out and played in the snow. During Christmas we think up to the orphanage and give two kids to be a father to, I have two little girls, one three and the other four. "If I can't be home for Christmas, I want to have them in any other place in the world I'd rather be home with these little girls than with any other kids. They are so cute yet they have so little. They really help you to get the real non-commercial Christmas spirit."

Briar Rabbit Dance

The Briar and Rabbit Dance will hold its annual Christmas Dance on Saturday, Dec. 27, at the Carlisle Armory. Featured will be the music of Charlie Sexton and his "Bourbonaires."

SANTA LETTERS

2055 W. Carol Circle
West Palm Beach, Fla.
Dear Santa Claus, I am 10 years old and I am in the 5th Grade. For Christmas I would like a three speed bike. A game of Operation, Concentration or Handa down. My sister Sarah would like a Record Player and a Mattel talking phone. I would also like a little snow. And if there is room for something in your bag bring my Pa, raw-maw and Stephen, Danny and Max, and all my other kin. For a reward, we will leave you some coffee and cake.
Love your closest friend
Jeffrey Smoot
P.S. Bring a surprise too.

Dear Santa,
I have tried to be very good this year. For Christmas I would like a Flamer-Peter plane, a guitar, a radio and a little television. I would also like some story books and some nuts, candy and anything else you could like us bring me. Bring my little sister a rubber ball, a Teddy Bear and some rubber hocks.
Your little girl,
Joy Ann Feebick
P.S. Don't forget our big brother and sister Rickie and Debbie.

How Do You Tell?

How do you tell a fledgling that the half dollars she had been saving in a clear box to purchase Christmas presents were taken by a two-legged "ash"?
Everywhere made sometime Saturday night or early Sunday through the basement at High Ky's Drive-In, the \$52 taken.
Ludy Henry had been putting aside each half dollar she was fortunate enough to receive with plans of cookies to buy Mom, Dad, brothers, sisters, and friends Christmas gifts.
At the moment these plans have been scuttled by a county law firm of the human species who had nerve enough to re-enter through the basement Sunday night and pick up a dollars worth of pennies. Lewis Henry stated he purposely left in the clear box.
