IGA CHEF Eddie Doucette says TEMPT THEM with TASTIER FOODS

Take a Pound of PORK...

Quality pork has a grayish pink fine texture, firm and with some marbling. The outside fat should be firm and white. Thickness of fat layer should be in proportion to size of cut. Avoid soft, oily, unpacked, watery or excessively pale pork. Pork should be cooked to medium well done but not overcooked to shreds. So that none of your family misses the following recipes, we've printed them in very easy-to-read type.

PORK STEW (Using Left-Overs)

Cut TableRite Pork (2½) - 3 cups in 1-inch cubes and lightly brown along - with 4 strips cut up bacon. Drain off fat and add 1 can chicken gravy, ½ cup of small white boiled onions (par) along with ½ cup each cut up cooked carrots and potatoes. Cover, let simmer 7-8 minutes to heat through add 1½ cup drained cooked peas. TableRite Baking Powder Biscuits and a crisp salad will compliment this humble tasty dish and we will let you go overboard on your favorite dessert.
