Judge John P. Lair Seeks Re-election As Circuit Judge

Circuit Judge John P. Lair Cynthiana, announces his candidacy for re-election as Circuit Judge on the Democrat ticket in the 18th Judicial District, comprising the counties of Pendleton, Harrison, Nicholas and Robertson.

Judge Lair was appointed to the bench in August, 1961, and was elected in 1963 without opposition, and thus is completing his first full term in office.

Judge Lair comes from a pioneer Kentucky family that has been prominent in the Commonwealth since the 1780's and he has resided in Cynthiana his entire life. He is a graduate of the University of Kentucky Law School, attended Ohio State University for a year, and then practiced law in Cynthiana from 1929 until the time of his appointment to the bench, thus being a practicing attorney for 32 years. During World War II he was associated with the Federal Bureau of Investigation.

Judge Lair is a life-long Democrat and is married to the former Miss Hazel Slusher of Middlesboro. They have one son, John, age 13 years, and reside in Cynthiana.

JUDGE LAIR

Judge Lair has brought several new innovations to the Circuit Court, particularly the opening of each term of Court with an invocation by a minister.

Judge Lair has brought dignity to the Nicholas Circuit Court and the Courts of this district and also respect for the law and these high attributes are recommendations enough for his re-election without opposition. He is highly regarded by the Kentucky Bar Association and the members of the Court of Appeals and throughout legal councils of Kentucky. He acted as one of the three delegates from Kentucky to the National Conference of State Trial Judges for four years, was a member of a national committee connected with said Conference, a member of the Judicial Conference of Kentucky and one of four Circuit Judges serving as members of the Judicial Council for the last five years.

Based then on his record and performance in office on a high level in the 18th Judicial District, Judge Lair seeks the support and vote of every registered voter at the Democratic Primary to be held on Tuesday, May 27, 1969.

Judge Lair said he hopes by his re-election to maintain, with the continued cooperation of all the lawyers of the District, the dignity and respect for the Courts to which they are entitled.

Jackets Beat Devils In Overtime Thriller

With every fan on its feet, watching breathlessly with pressure never more of the players, and saw a one minute 1:19 second stall in the overtime period of a big ballgame against Morgan County 73-70.

Nine points on foh at 5:32 in the first half the Bluejackets saw a 24-15 lead as they went cold for a brief period of time. It didn't last long as Steve Kimberling swiped the ball from Laurence Illey and drove the distance of the court to put the Jackets 28-23. Billy House followed up with two more points and again the Jackets were eating smooth with a seven point 30-23 lead. Again Nicholas saw the lead die away as he shooting Doug Jones pulled the Bluejackets lead to 32-29. The Bluedevils Lynn Hunley playing with 3 fouls cut the lead to 34-32. A shot by Jones with only 3 seconds tied the contest at 34 halfway through the game.

The first quarter saw a battle between Jones and Larry Wills who kept changing the score each trip down the floor. But it was about all over for Wills as he received his second foul in the first quarter and with a little over five minutes remaining in the half he picked up his third personal. The Jackets led 16-13 at the end of the first quarter.

The Bluejackets, playing without Senion star Gary Crawford who is out with a broken thumb, never let up the whole contest as they had to fight back in the third period from a rough full court press and a small deficit 51-49. Trouble hit the home team and hit it hard as Larry Wills received an ankle injury and was removed from the game with seven seconds left in the third quarter.

UNITED CEREBRAL PALSY WEEK

In a proclamation issued today, Gov. Louie B . Nunn proclaimed a "United Cerebral Palsy Week." The nation's number one cripper of children, palsy attacks 25,000 infants each year. There currently are more than 600,000 adults and children in the United States who have suffered permanent handicaps because of the disease. The Governor urged all Kentuckians to open their hearts and give generously to U. C.P. of the Bluegrass. Monies collected will be used to further programs of assistance and research sponsored by the United Cerebral Palsy Association and affiliated groups in Kentucky. Present at the Governor's reading of the proclamation were Arthur O'Neil, public relations director for the United Cerebral Palsy Association, Inc., in New York, and C. A. Coleman, Sr., president, United Cerebral Palsy of Bluegrass, at Lexington, Ky.
