

### Is Federal Aid For Recreation Available?

Carlisle's Recreation Park has been a big success. In our opinion, this summer. There is a splendid plan for the park for the next year. The park is now being developed by the state. The state is now providing the park with the necessary facilities. The state is now providing the park with the necessary facilities. The state is now providing the park with the necessary facilities.

### The Moon Landing And American Business

The moon landing is a great achievement. It is a great achievement for the United States. It is a great achievement for the United States. It is a great achievement for the United States. It is a great achievement for the United States.

### How It Happens

From the threat of a moon landing, we have seen the progress of the space program. We have seen the progress of the space program. We have seen the progress of the space program. We have seen the progress of the space program.
