Palm Sunday Service Plans Announced At Shrine Of Our Lady Of Guadalupe

Traditionally among Christian religions the Sunday before Easter commemorates the triumphal entry of Jesus Christ into Jerusalem, in early Christian practice the people of Jerusalem annually followed in procession the route Jesus took as He entered the city. This triumphal entry of Jesus will be reenacted this coming Sunday by the Rev. Herman B. Kamlage and the parishioners of the Shrine of Our Lady of Guadalupe.

The ceremonies of Palm Sunday begin on a triumphant note with the blessing of the palms and the reading of the scriptural account of Christ's entry into Jerusalem according to Saint Matthew. These ceremonies will take place weather permitting, outdoors beginning at nine o'clock. Following the blessing of the palms the entire congregation with palms in hand will march in solemn procession into the church. This procession honoring the kingship of Christ represents not only Jesus' entry into the holy city to fulfill ancient prophecy, but also His entry into glory through His death on Calvary and His Resurrection from the dead.

Where triumph is the theme of the first part of the service, the Mass of the day assumes a very grave tone. The celebrant removes his red vestments and replaces them with the violet ones of the Passion. The Proper of the Mass for Palm Sunday sets forth the agony of Christ suffered in preparation for the cruel death to come on Good Friday. St. Paul, in his letter to the people of Philipi, will remind the congregation of the deep humility that must be theirs when they consider how the Son of God accepted human nature for their sake. The highlight of the Mass will be the reading of the whole account of Christ's Passion as set down by Saint Matthew.

The public is cordially invited to participate in this liturgical celebration of Palm Sunday. They are also invited to take part in the special worship services which will be held during Holy Week; the celebration of the Last Supper on Holy Thursday evening at 7:30, the commemoration of the Passion and Death of Our Lord on Good Friday afternoon at 5:00, and the Joyful anticipation of and the liturgical celebration of the Resurrection of the Son of God in the Easter Vigil service Holy Saturday night beginning at eight o'clock.

Coach Case Praises Players, Says Colonels Underrated

by Allen Waugh

"I don't mind the loss of the game, as much as I mind losing the boys." The words of a misty-eyed Bill Case the Coach of the Bourbon County Colonels stood out proud as he praised his team after their loss to Clark Co. in the 10th Regional Tournament.

In his first year at Bourbon Co. Coach Case took his boys to the championship of the 37th District tournament. First they defeated Harrison Co. then later that week trounced M.M.I. and finally defeated Paris 72-71 in an overtime for the championship.

From there the Colonels went to Clark County to represent the 37th District in the 10th Region. Bourbon started the journey off with a bang by stopping Lewis Co. but "Black Friday" proved to be just that for Coach Case and his crew as they fell shy of defeating Clark County the eventual champs. After they 95-53 set back Case then talked with this reporter and highly praised the boys for their well done job in the 68-69 season.

"The loss of the game isn't as hard to take as losing that fine bunch of boys. If I had a bunch of "no-goods" I couldn't say that but I didn't. They were the nicest and best disciplined group of boys I ever saw. They never gave me any trouble whatsoever. They only gave me what any coach wants and that's 100%. May God strike me dead if I say a bad thing about any one of them."

Bourbon County loses six men of their 10 man squad. Graduating are Guard Doug Wagoner, 5-9 Guard Jimmie Carter, 5-7 Guard William Sharp, 5-11 Center Bill Roberts, 6-2 Forwards Wallace and 5-10 Forward George Bradley.

He added "We were an under rated ball club and we hope people will realize after our trip here we had some good ability and used it."

MISS PRICE

To My Reading Public And Associates

This is a "love-letter" to the many people, both young and old, that I have met at the check-out desk at the Nicholas County Library through the years, many of whom I wouldn't have known otherwise. And to my associates, and members of the library board: I have served under whose relations shild have ever been pleasant ones. I am deeply grateful to have been retained by them all these years.

And last but not least, to Mayor Power, who gave me a "Day"---(I am still flabbergasted over that!). It was a never-to-be-forgotten experience.

To all of you I say, "thank you", and may our paths cross again and often.

Fondly,

Mis' Carrie
