

Looking at the Inside

By JOHN W. KIRK

To Stop Worrying About Man-Human... the back of your mind... the possibility of a nuclear holocaust...

...the Vietnamese have a sacred religion... the their willingness to die... the their will to kill... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

RECREATION PROGRAM

The summer recreation program, under the sponsorship of the Nicholas County Recreation Board...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

...the their will to be killed... the their will to be killed... the their will to be killed... the their will to be killed...

HARPER'S GARAGE

Like it cool this summer?

Play it cool now! Install central electric air conditioning before summer's heat arrives on the scene!

When that first heat wave strikes, everybody is going to want central electric air conditioning at the same time. And then what? A shortage of units—make weeks of waiting for delivery and installation...
