

# We Do Have A Choice

Congratulations, Rex Smoot has done it. He has made it possible for you to have the MERCURY on a lease plan. This means you can get the car you want for a very low down payment and then pay it off in installments. You can even get the car for as little as \$50.00 a month. And if you don't want to lease, you can still buy the car with cash or on a conventional loan plan. So you do have a choice.

# 4H LEADERS: 'Opportunity for All'

The 4H leaders of the Carlisle Extension Agents are giving a special opportunity for all. They are offering a special program of 4H projects for the winter. This includes 4H home economics, 4H home science, 4H home arts, and 4H home management. These projects are designed to help you improve your home and your family. They are also a great way to spend your winter evenings. So come and join the 4H club today. You will be glad you did.

any for Council whether they will continue to support the non-military basis for the resolution. The committee is currently holding public hearings to hear the views of the people. This is a chance for you to be heard. So come and testify today. Your voice counts.

# Agree or Not,

I Say What I Think

By S. C. Van Curen

The availability of adequate food is one of the most important factors in the development of a healthy and happy people. It is the responsibility of the government to ensure that every citizen has access to the food they need to live. This is a goal that should never be forgotten.

# 1970 Caprice

A lot of cars can afford to be that much more car. Which explains why more and more of the smart money is pouring into Caprice. One of the most important reasons for this is the 130-horsepower V8 engine, power disc brakes, Air-Vent, and a new, more powerful, more responsive V6 engine. A remarkably roomy car, with a ride so smooth and quiet you'll feel like King of the Road.
