LOOKING AT THE INSIDE: Continued from page 2

Jack thereof of the students learning ability. However, commencing this fall, there will be a new book at U.K. as a consequence of students, former students, and draft restorers have assembled and confided in including freshmen and the rest of the university community with a new "free" concept (concept which will be a "product" of the idea experiment of the present university system, the kind of education we want and need, in addition to that which we are getting.)

The program, details of which have been distributed campus wide, is to be the first of its kind in the history of the program for the first time, on an equal basis to classes and individuals. The program will be a "product" of the idea experiment of the present university system, the kind of education we want and need, in addition to that which we are getting.

Please Help Us! When You Change Your Address: The post office will not transfer newspapers when you change address. Instead, the label is clipped and returned to the publisher. A charge of 10c is made to deliver the label to the publisher. And you do not receive your paper. Please help us give you good service by giving any change of address as far in advance as possible. A handy card for that purpose is available at your post office. Your cooperation will be sincerely appreciated.
