Nursing Home

Continued from page 4

Church choir came to the home and presented a musical program. Mrs. Junior Buntin was at the piano and Mrs. Roy Blount directed the choir.

Uncle Tom Jackson loves to wear his bib overalls and blue cotton shirt, Uncle Tom has always been known as a great farm worker. He says he'd work now if he felt "up to it."

E.C. Dwelly of Lexington visited his brother, Ray Dwelly Sunday.

The old folks were not forgotten on Easter. The good cooks "put the big pot in the little one."

The following had special flowers in their rooms: Mrs. Ann Hughes, Mrs. Ellen Kenny, Mrs. Eliza Ockerman, Mrs. Mattie Asbury, Mrs. Mary Hogg, Ray Dwelly, Mrs. Stella Watkins, and Mrs. Robert Boyd. Hope we haven't left anyone out. There just isn't enough room to write who received candy and cookies and other goodies.

J.P. Barbee's boys from Mason and Fleming counties came to see him.

Herman Conyers really enjoyed Easter. He ate dinner with his granddaughter, Willa Faye Mathes and family, and then they went to see the new Blue Licks bridge, and attended church there.

"Will you tell the Court what passed between you and your wife during the quarrel?" asked the judge.

The long suffering husband replied, "a flat iron, a rolling pin, six plates and a teaketttle."

Morale is faith in the man at the top.--Eugene Bertin.

The truth never hurts--unless it ought to.--B.C. Farbes.

The great use of life is to spend it on something which will outlast it.--William James

The weather doesn't make any difference in travel with Harvey Ellison's family. Sunday Coletta Baxter and son, Shayne of Mt. Olivet came to see their grandfather and great-grandfather. Also Mr. Ellison's son, Henry of Mt. Olivet and his granddaughter, Lana Ellington, who is a senior at Morehead State University, paid a visit.

"Dad, I read about a man who was a financial genius. What does that mean?"

"It means that he could earn money faster than his family could spend it," the father replied.

Farley Bowles, 82, and his wife, 79, must be the smallest couple in statue connected with the home. At supper time, you can see Mrs. Bowles comming in wearing her little waist apron and usually bringing something more to add to Mr. Bowle's supper menu. She is so attentive and feeds him each bite and you can see from the look in her eyes, she really enjoys this. The two look like little story book characters. He has a new quilt on his bed which she made and brought him.

At this writing, the good nurse Mrs. Jane Scott, Mrs. Lula Kash, and J. P. Barbee are in the hospital.

Leonard Fite is a new orderly and one can watch him work and in very short while, can see that Leonard has found his "calling."

We must not forget that many of the people in Nicholas County and Carlisle come to see their loved ones each day. Some come twice a day to feed their folks.

According to the manufacturers of men's shirts, male shoulders are broader and arms longer than in former days.

Lord show me what I need And Teach me how to pray, And help me when I seek Thy grace, To mean the words I say.

Farm & Home

Continued from page 2

gallon of water. It acts only on direct contact. Spray daily during adult activity. This material is extremely toxic and should be used only by trained applicators.

THE KEY TO SOIL FERTILITY

Liming is the key to soil fertility. It unlocks the door to bigger yields of higher quality crops and greater profits. As lime is relatively slow in action, its benefits accrue over a long period of time. Because of the slowness of action, results from liming are not speedily apparent and many farmers have neglected this number one practice to increased yelids and profits. As the benefits accrue over a number of years, lime applications should be made far enough ahead--at least a year--so that lime-loving crops in the rotation derive the maximum benefit from its use.

Listed below are some of the reasons for liming and what it does:

1. Reduces and corrects soil acidity.

2. Supplies essential plant foods; calcium, magnesium and other minor elements.

3. Reduces toxicity of manganese and aluminum which are soluble in acid soils.

4. Promotes desirable bacterial activity.

5. Improves soil structure in many ways.

6. Promotes root growth, especially the growth of fibrous feeding roots.

7. Makes fertilizers more efficient--both those native to the soil and those applied.

8. Fosters decay of organic matter.

9. Substitutes in part for potash and makes other nutrients more available.

10. Prevents the phosphorus fixation by iron and aluminum which are very active in acid soil.

Yes, an adequate liming program is the key to soil fertility, which increases crop yields, their quality and the net return to the farmer.

FIVE GENERATIONS--From left: Mrs. Elizabeth Tackett of Owingsville; her son, Palmer Sorrell of Carlisle; his daughter, Mrs. Virgaleen Brinegar of Paris; her son, Terry P. Feeback of Carlisle; his son, Terry P. Feeback Jr.

The Old Timer

"Other people's troubles are not as bad as yours, but their children are a lot worse."

Dry Ridge Post Handles 6 Percent Of Crimes Reported

FRANKFORT, Ky.--About six percent of all crimes reported to the state police last year occurred in the 10-county area patrolled by troopers at Dry Ridge Post 6, Commanded by KSP Lt. William O. Bradley. Post 6 covers Grant, Boone, Harrison, Bourbon, Nicholas, Robertson, Bracken, Pendleton, Campbell and Kenton Counties.

According to a recent tally compiled by the state police, a statewide total of 9,683 felonies and misdemeanors were reported to state troopers last year. Of that number, Post 6 reported 581 offenses or 110 above their 1968 total.

Heading the list of crimes in the 10-county area were auto theft (137 cases), breaking and entering (95) and disorderly conduct (27).

Stolen vehicle recoveries totaled 118 for an approximate value of $170,799.

Crimes showing the greatest jump in frequency over 1968 were disorderly conduct (up 24), breaking and entering (up 19), military desertion (up 16) and murder and non-negligent manslaughter (up 12).

In comparison with all other posts, the Dry Ridge-based troopers reported the highest number of cases involving receiving stolen property (10), possession of stolen property (8), conversion (6) and rape (5).

LOOSEN UP your timing...

When you use AAtrex® 80W herbicide you're free to work your weed killer into your total corn program to suit yourself.

It's your choice—apply it

before planting, during planting, or after planting.

AAtrex is not only the most effective weed killer in corn, it's also the one that allows you the most freedom in timing the application.

Call us today for all the details of applying AAtrex.

About 15 guests attended.

Miss George To Marry Friday

Mr. and Mrs. Adrian George of Millersburg announce the engagement of their daughter, Martha, to Harold Leonard, son of Mr. and Mrs. Harlan Leonard of Millersburg.

The vows will be exchanged Friday, April 17, at 7:00 p.m., at the Judyville Christian Church.

No formal invitations have been sent. All friends and relatives are invited.

Mrs. Kingsolver Entertains Scouts

The Girl Scouts of Troops 432 and 489, upon completion of their Cook Badges, entertained their mothers and other guests at the home of Mrs. W.R. Kingsolver on Monday, March 30. The girls served punch and cakes they had made and decorated.

A dramatic program of choral readings was presented.

250 Attend Girl Scout Annual Banquet March 24

The annual Girl Scout Parent-Daughter banquet was held Tuesday night, March 24, in the Bluegrass Industries dining room. Approximately 250 attended the banquet, the theme of which was World Friendship.

The tables were decorated with brown and orange colors for the Brownies and ghe green and yellow colors of the other levels of Scouting. Candles, flowers, and objects brought from other countries lent an atmosphere of international interest.

The Senior Scouts opened the program with a flag ceremony.

Persons in the community who had helped in the Scouting program through the year were recognized. Awards earned by the girls were presented. Patrol leaders from each troop brought the girls' contributions to the Juliette Lowe world Friendship Fund.

Mrs. William Woodall of Paris was the speaker. She was born in Ireland and had many interesting stories to share with the audience concerning life as a young girl in the British Isles.

The program closed with a tremendous friendship circle and singing by candlelight.

Mrs. Tapp Gives Birthday Dinner

Mrs. John S. Tapp entertained with a surprise birthday dinner for her husband, Sunday.

Those present were; his daughter, Martha and son, Wayne; Tommy Marcum, Lexington; Mary Stewart, Mt. Olivet; Mr. and Mrs. Allie Tapp and Alice Faye, Mrs. Laura B. Tapp, Mr. and Mrs. Herman Hilander, Frankie and Jerry, and Mrs. Lilitan Hamilton, Carlisle.

Miss Morrison To Wed April 18

Mr. and Mrs. Jack L. Morrison of Carlisle, announce that the Nuptial Mass uniting their daughter Karen Bonnie and Sgt. Michael Raymond Ouellette in the Sacrament of Holy Matrimony, will take place Saturday, April 18, 7:00 p.m. at the Shrine of Our Lady of Guadelupe Catholic Church in Carlisle.

Reception immediately following the ceremony in the parish rectory.

All friends and relatives of the bride and groom are cordially invited to attend.

MISS MORRISON

4-H Council Meets Monday

The Nicholas County 4-H Council held its regular meeting Monday night April 6 at the County Extension office.

Meeting was called to order by G.L. Curtsinger, president.

Minutes were read and approved.

The Talent Show held March 31 was discussed and considered a success.

A committee was elected to revise rules of Talent Show.

The 4-H Council wishes to thank Blue Grass Industries for their generous hospitality at the 4-H Awards Night.

4-H Rally Day will be held Monday, April 20, at Carlisle School, at 7 p.m.

Open 4-H Horse and Pony Show will be held June 1.

The meeting was then adjourned.--Reporter, Robert Curtsinger

City

Continued from page 1

The Sugg-Nolan Auditor made several recommendations to Council:

1. Office personnel salaries should be paid out of Operations and Maintenance Fund in proportion to the time spent on utilities work.

2. The City should pay the utilities system for the utilities it uses. He also recommended going back to the first of the year to do this.

3. List all meter holders and deposits of same and add the sum of these deposits to the reserve fund.

4. Increase charge on trash collection to make it profitable. Cost last year was $14,200 and only $10,895 was collected.

5. Stop paying telephone bills for city employees.

The City Clerk, John Chansler, reported that the cost of computer billing would be 20 cents per bill plus postage. This would eliminate present posting time, hand billing and put a control on the accounts receivable which is not now possible.

Brooks Henson, unable to be present, will be asked to obtain estimates on the cost of repairing the 63 Ford City truck which was wrecked recently. He will submit this information at the next meeting.

Jimmy Carter, Chamber of Commerce president, appeared before Council with several requests from the Chamber:

1. A donation for awards of $100 was granted for Industry Appreciation Banquet as in previous years. The Final Court and the Chamber also donate this amount each year.

2. Since Lt. Gov. Wendell Ford will be the guest speaker Thursday, Carter asked if the City Streets could be cleaned by then. Charles Faye was contacted to do this.

3. Carter asked Council to seriously consider low cost housing for Carlisle. He was informed that a meeting is being sought with a government representative on this matter already.

4. Carter stated that City street signs need replacing and repairing and urged Council to start doing this. He said the Chamber would be willing to help when possible.

Earl Medley asked Council for permission to put a trailer on a lot and make it a permanent home. Council referred to the City

Try-Outs Saturday

Try-outs for the Nicholas County Little League Baseball Club will be held Saturday, April 18, 2 p.m. at the recreation field on the East Union Road.

To be eligible to play Little League baseball, a boy must be 9 years of age before Aug. 1, and not attain an age of thirteen after Aug. 1.
