

GRASS ROOTS
by Roy Stevens
Kentucky Farm Bureau Federation

The proposal for accepting the Electoral College in favor of direct election of the President is, as this is written, being considered in the U.S. Senate, and that would be a good place for the proposal to die.

The direct election plan, which provides that the President be elected on the basis of the nationwide popular vote rather than through the Electoral College process, has already gotten more official consideration than it ever deserved.

"So little bother... so much comfort... when we changed over to electric heat."

FLAMELESS ELECTRIC HEAT IS PURE COMFORT
"We would put up with a lot to get the wonderful comfort and convenience of electric heat," Mrs. N. B. Adams says. But converting mantel burning oil stoves to electric heat is no more than a change of location. Call our most efficient for an accurate estimate of all costs of converting to and enjoying electric heat. Then you make the decision.
