

Jackets Triumph In First Game 57-55

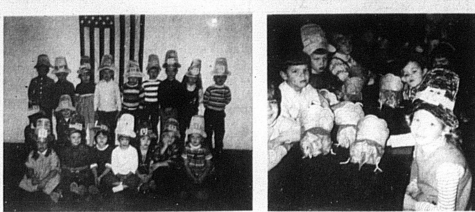

By Robby Kingsolver

With only 31 seconds to play, the Eagles were at the free throw line with a 55-53 lead. The throw was good, and Nicholas grabbed the rebound. Racing down court, Steve Kimberling made a 20 foot jump shot which tied the score. The Jackets continued to race the clock in the remaining 13 seconds. The ball was stolen from the Eagles and Reese Smoot fired the winning

shot goal for Nicholas just as the final horn sounded. This was the exciting climax of Nicholas County's first basketball game of the year. The contest took place Saturday night at Nicholas gym. The Jackets beat the Irvine Eagles 57-55. Nicholas County had a lead of 13 points at about the middle of the game, but lost it when some of the "jacket" players got into foul trouble. The Jackets "bustled well" through, according to their coach, Bill Anderson, and were able to come back and win. Man to man defense seemed to work best for the Jackets. They used this defense throughout the game, except for a short period in the third quarter. A zone defense was then used to try to protect the jacket players who were committing fouls. This didn't work as well, though, and the Jackets returned to man to man for the rest of the game. Even though they out-manuevered the Eagles, the Jackets didn't get far ahead because they didn't take the ball real well, as Coach Anderson said. Nicholas

County made 80 field goal attempts, but only hit 25, giving the Jackets a 27% average. Irvine had a 34% average with 19 good field goals out of 56 shots. The Eagles also made 25 field goals out of 56 shots, making 17 out of 26 shots. Nicholas made 7 out of 16. Coach Anderson attributes the Jackets' scoring problems to "first game jitters." The Eagles had an advantage, having played 7 games before Saturday night. Despite their other difficulties, the Jackets did well in ball handling and rebounding. Kimberling got 14 rebounds. Smoot got 10, and Jimmy Parker stole the ball 7 times. Although players may not get much credit for recoveries and assists, these are very important to a winning team, according to Coach Anderson's remarks. Nicholas County (57)-Kimberling 20, Parker 17, Smoot 13, Boyd 4, Compton 3. Irvine (55)-Thompson 10, Johnson 15, Little 10, Dunaway 8, Long 6. Nicholas Co. 11 21 44 57 Irvine 14 24 41 55

Kindergarten Children Busy During Nov.
November has been a busy month for all of us in Kindergarten. We've learned about the Pilgrims and the first Thanksgiving and had such fun learning a poem about "Mr. Turkey" and a Thanksgiving song. This month we've made Indian bead bands, puppets, a Pilgrim girl and boy, a paper sack turkey, and Pilgrim hats. We enjoyed learning how to do chalk paintings, and tampa brush paintings. "Miss Dottie" and "Miss Martha" had us draw pictures of the things we are thankful for at Thanksgiving. We found we had a lot of different and wonderful things to be thankful for!
