## Sept. Grand Jury Report Rendered

We, the Grand Jury duly empaneled for this term of the Nicholas Circuit Court, do hereby make our final report as follows:

We have made careful investigation into all violations of the penal laws of this state in this jurisdiction of which we received knowledge or have received information, and have returned indictments in all cases in which the evidence in our opinion justified trial by petit jury.

We have been in session two days, and have returned one indictment, and we failed to return indictments on one charge referred to us for investigation. Four members of the Grand Jury inspected the Johnson Mathers Nursing Home and Nicholas County Hospital and Grand Jury as a whole has accepted and recommended as follows:

Plaster in the x-ray room and nurses quarters at the hospital was found to be in a rather poor condition which it is believed might be caused by a leak in the roof and that consideration be given to repairing the plastering in these two rooms.

Since there are many elderly people as well as sick people using the front entrance to the hospital the Grand Jury would like to recommend that a handrail be placed in the middle of the steps at the immediate entrance to the building and that consideration be given to placing a handrail on one side of the sidewalk leading from the hospital to the parking area in the rear of the hospital, both of said handrails being of wood, elderable assistance to older people, in particular.

The Grand Jury heard three witnesses who complained of the keeping of cats in great numbers by Mr. and Mrs. George Koken-dorfer of Arnold Heights, RFD 2, Carlisle, Nicholas County, Kentucky. It was obvious to the Grand Jury that these cats in the great numbers which are reportedly being kept by Mr. and Mrs. Koken-dorfer create many problems, both as to odors, excrements and general conditions that might lead to a violation of sanitation regulations and it is the recommendation of the Grand Jury that these matters which constitute a nuisance to the immediate surrounding neighbors should be corrected and that copies of this Grand Jury report be sent to the Nicholas County Health Department, the Department of Economic Security, and to Mr. and Mrs. George Koken-dorfer.

The Grand Jury inspected the various schools under the Nicholas County School System and make the following recommendations:

HEADQUARTERS - Nicholas County Elementary School.

Kitchen faucets as well as all other water faucets, leaking due to custodian's inability to be a "jack-of-all-trades." Commode nailed shut, reason, unable to get plumber to repair same. Fire latch on door upstairs fails to open properly at top, could be

dangerous. Exterior of building in very poor condition, but understandably since building was abandoned.

The Grand Jury recommends that arrangements be made to hire additional help or to make arrays on Headquarters Pike which could save custodian considerable time thus allowing him to attend other duties.

WINDOWS IN AUDITORIUM. Windows in auditorium could be caulked, which might save some fuel, hence tax dollars. Electrical circuits over loaded. Three classrooms in basement could have an additional outside entrance if the power is that cared enough. These rooms are well lit just as much a fire trap today as when they, the school board sought votes on bond issue for new elementary building). Gasoline kept in an un-

# The Carlisle Mercury

VOLUME 103 NO. 42

CARLISLE, KENTUCKY 40311

(12 PAGES) THURSDAY, OCT. 15, 1970

MRS. MEADOWS, A WELL-KNOWN PAINTER of wild flowers, a civic leader, museum curator, and artist, conservationist, will display 20 of her original paintings and will show slides to illustrate her talk, to be featured at the Blue Grass Area Homemakers meeting in Georgetown, Oct. 21. Two of her latest paintings are the Kentucky Creeper and the Kentucky Tulip Poplar. Her work was recently shown, along with many regional artists, at the Mountain Parkway Art Exhibit at Natural Bridge State Park.

## Homemakers Meet At Georgetown

Mrs. Nellie Meadows will be the featured speaker of the Blue Grass Area Homemakers their annual meeting in Georgetown, on Oct. 21, according to Mrs. Gordon Vawter, the area president.

Mrs. Margie H. Wilson, County Extension Agent, said today that homemakers from Nicholas County are planning to attend the annual day of Georgetown College.

Chorus members attending are: Mrs. J.M. Pitman, Mrs. Cleary, Mrs. John Clinkensbeard, Mrs. Benita Gumbert, Mrs. Harvey Wilson, Mrs. Lucille Brown, Mrs. Herman Vawter. Others attending are Mrs. George Dale, Ginevra Mae vice president, Mrs. Rose Smoot.

The major speaker, Mrs. Meadows, is an American Wildlife artist, and a life-long resident of the foothills of Kentucky where she is surrounded by wild flowers in their natural setting. Her interest in painting goes back to her childhood and has grown to her present interest of wildflowers.

Mrs. Meadows will have on exhibit many of her wildflower prints including her latest release "The Trumpet Creeper" and "Kentucky Tulip Poplar." Only 500 of her prints are personally autographed and numbered.

## Dinners Planned For Campaign

A "Three-Dinner Package Financing Program for the Comb-Carroll campaign was announced Oct. 10 by Robert Matthews, state chairman for first Comb-Carroll Governor and Julian Carroll for Lt. Governor in next year's Democratic Primary.

A \$100-a-Plate Dinner will be held at Louisville's Executive Inn on the evening of Nov. 23. Two regional dinners, a \$20-a-Plate, are scheduled for Ken-Rar Inn near Gilbertsville on the night of Dec. 10, and in Lexington on a January date to be announced.

Chairman of the \$100 Dinner in Louisville will be David A. Jones of Louisville, a founder of Extentidicare, Inc. and his chief executive officer. Jones is a certified Public Accountant and Attorney.

The party Co-Chairman is Smith Broadbent Jr., Cadiz, a well-known Democratic leader. Co-chairman for the Eastern Kentucky Dinner scheduled for Lexington will be Fayette County Judge Robert Stephens and Dr. George Archer, Mayor of Prestonsburg.

## 412 HOUNDS ENTERED

### Foxhunt Head Proclaims Hunt Making History; Bench Show Results Given

J. Wade Walker, President of the Kentucky State Foxhunters Association, proclaimed it's unbelievable it's the greatest in its history. Carlisle and Nicholas County are now serving as hosts to hundreds of visiting hunters, riders and enthusiasts of the sport from a number of surrounding states, as well as Kentucky.

At the close of the registration books on Monday, Oct. 12, hounds entered totaled 412.

Mr. Walker and John Carr, Secretary of the Association, expressed their gratitude for the many kindnesses shown to the hunters and visitors, as well as the tremendous cooperation from the whole community.

Results of the Bench Show, held Monday evening at the Carlisle Elementary School gymnasium are as follows:

BEST OPPOSITE SEX:  
Muskogee's Lady Fawn, owned by Muskogee Kennels.

## Oct. 19 Date Set For Tuberculin Test

The Nicholas County Health Department is urging all parents of school children to sign and return the permission card each child was given at school to bring home. This gives the parents consent for the child to receive the tuberculin skin test that will be given in the schools Oct. 19.

The purpose of the skin test is to determine if the individual has ever been exposed to a tuberculous germ. It is emphasized that a positive test does not mean the person has tuberculosis—only that he has been exposed to the germ and may be at a risk of developing the disease in later life.

No child will be given this skin test without a signed permission card.

## Methodist Revival Set Oct. 19 thru Oct. 25

The Carlisle United Methodist Church Revival begins on Monday evening, Oct. 19, and continues through Sunday, Oct. 25.

Mr. James L. Harmon of Park United Methodist Church, Lexington, will be the evangelist. Shelby Osborne of Mayville will be the song leader. Mrs. Sterling Blake will be the organist and Mrs. Ted Allison will be the pianist. Services will begin each evening at 7:30 p.m. A worship, pastor, cordially invites you to attend these services.

## Games Reported

The Nicholas County Bluejackets football games are being reported for the Mercury by Robby King-solver. His story, each week, will be found on page 3.

## Band Contest At Lexington Saturday

The Drum Major raises his baton, a steady drum beat is heard, uniforms and brass gleaming...and then it begins. The monthly 20 high school bands have been waiting for...the annual Fayette Lions Invitational Band Contest at Soil Field in Lexington. The time is 7:00 and the date is Saturday, Oct. 17. This contest was previously scheduled for Sept. 26, but canceled due to rain. These bands are the best. They have been participating months for this annual event, and one band in each of four divisions will be judged the best.

Schools participating this year are: Nicholas County, Tatee Creek Senior High, Lafayette, Henry Clay, Bryan Station, Scott County, Johnson County, Hopkinsville, Pleasure Ridge Park, Covington Holmes, Grant County, Williamsburg, Woodford County, Jefferson County, Bourbon County, Garrard County, Madison County, Danville High, Erlanger High, and Corner High School.

The interest in bands has greatly increased with the advent of television and every high school band director of being invited to a Band Parade on Bowlegs. Band boosters work hard to raise funds for uniforms and transport. Being able to play in an instrument well is not enough, team work is important, pride and team spirit are essential.

The ingredients are all here, the bands are ready to perform. The ingredients are all here, the bands are ready to perform. The ingredients are all here, the bands are ready to perform.

THIS COULD BE AN EXIT FROM A FIRE TRAP. Shows steps in a rear little chook of the Carlisle Elementary school building, an opening and steps here might prevent a tragedy. -Mercury picture

## Burley Support Prices

Support prices by grades for the 1970 crop of burley tobacco have been announced by the Burley Tobacco Growers Cooperative Association, which administers the price support program for burley in Kentucky, Ohio, Indiana, West Virginia and Missouri.

The rates represent an average support level of \$68.20 on the 1970 crop, with increases in individual grades prices ranging from \$1 to \$6 a hundred pounds. The support average for 1970 is about 4.5 percent higher than the 1969 support level of \$65.80. The prices range from a high of \$79 a hundred to a low of \$40.

Nine grade categories have been eliminated in the 1970 list, including, under Fluegs, CSR, C4R and C3R; under lugs, CSR, C4R, and C3R; and, under mixed grades, M4S and M5R. Five grades have been added, all under the mixed grade category: M1F, M2F, M3FR, M4FR and M5FR.

The Burley Co-op noted that only the original producer is eligible to receive price support. Growers who have complied with their farm acreage allotments and who have not used pesticides covering 100 or 70E on their tobacco are eligible for supports.
