Foxhunt

Continued From Page 1
ers, sportsmen, horsemen and other enthusiasts of foxhunting from far and wide will be in Carlisle and Nicholas County during the week of Oct. 12. That is the date when the Carlisle Foxhunting and Organizations should cooperate to make this the largest and best hunt the Kentucky Foxhunting Association ever held. The purpose of this special meeting is to form an organization free to effect such a hunt.

Gayle Hughes, chairman of preparations, has asked that all people having rooms they would rent to hummers to contact Mrs. W.R. Buntin Jr., a member of his committee.

The invitations will be mailed out soon and requests for rooms will be coming in fast. This event will be a gala and colorful affair and will afford good, clean, healthful entertainment and fun for all participants.

'71 Model Cars

Continued From Page 1
Vega's individual styling will be continued for at least four years. Roomier and better handling than usual economy cars, Vega has a new, dome-capped engine to fill performance needs of American drivers.

It gives impressive fuel economy and low maintenance.

Among "firsts" in economy cars are Vega's power-flow interior ventilation, comfortable molded foam seats and steel side-guard beams in the doors.

Vega models go on sale in Chevrolet dealerships today (Thursday) Sept. 10.

Girl Scout Council Meets

Volunteer adults from Nicholas County attended a semi-annual meeting of the Wilderness Road Girl Scout Council Wednesday at the Kentucky Utilities Building on West Pike Street.

The meeting was a prelude to the annual Council meeting, Oct. 12 in Lexington, and, according to Mrs. Graydon A. Long, Council president, gave volunteers a chance to give their views on the direction of Girl Scouting should take in their area.

The Area-Area 9- is made up of volunteers in Bourbon, Harrison, Nicholas and Scott counties. Mrs. Robert McFarland, area chairman, presided.

Among those attending were Mrs. Evans McGraw, Executive Director of the Wilderness Road Council, and Mrs. Wendell King, solver, Carlisle, vice president.

Council To Contract For New Dump

City Council voted Monday night to have City Attorney, Jack Conroy, draw up a contract with Ed Finch to use his property on Scrub Grass Road for a City Dump. The contract will consist of a \$50 per month rental fee for one year with an option for five years.

Council also decided to pay only five dollars per mile starting Oct. 1. They are Police Station, Sewage Plant, Water Works, City office and the Fire Station.

Bids will be accepted on the cost of a new 3/4 ton, 4 speed, pick-up truck for the City.

Council agreed to purchase two new snow tires for the police cruiser and to pay \$5 per trip to City Clerk, Robert Chanlor, for taking the utility bills to Lexington on the computer center.

Building permits were granted to Dan Rich to put a new roof on his home on Sycamore Hill and to C.L. Livette to replace a porch floor.

The next regular meeting of Council is set for Monday, Sept. 21, at 7:30 p.m.

Apollo 11, Moon Rocks Scheduled For Frankfort

The second journey of Apollo 11 has begun.

The command module that carried astronauts Neil Armstrong, Ed Aldrin, and Mike Collins to man's first walk on the moon has begun a 30-state, one-year tour of the United States. It is scheduled to display at the state capitol in Frankfort from Sept. 11 to 14.

Almost as much planning and coordination that went into Apollo 11's first trip has been required for the tour. In fact, it may be even easier to get the capsule to the moon than to the fifty states.

The tour is being sponsored by the National Aeronautics and Space Administration with transportation being provided as a public service.

These persons should use declaration-voucher No. 3.

Robert J. Duth, District Director of Internal Revenue in Kentucky, said that taxpayers whose anticipated income during 1970 has changed may be required to amend their declaration.

Space to compute an amended estimate is provided in the estimated tax package received by taxpayers.

Declaration-voucher No. 3 should accompany the payment for the third installment. Mr. Duth said, Publication 505, "Tax Withholding and Declaration of Estimated Tax," which furnishes detailed information on this subject, may be obtained by dropping a post card to your District Director, Internal Revenue Service, P.O. Box 60, Louisville, KY 40201.

American consumers spent \$104 billion for food in 1969.

Morehead Offers Extension Course At Paris High

MOREHEAD, KY.—Morehead State University is offering an extension course this semester at Paris High School.

The tour is being sponsored by the National Aeronautics and Space Administration with transportation being provided as a public service by the Heavy Specialized Carriers Conference of the American Trucking Association, Washington D.C.

The tour is being sponsored by the National Aeronautics and Space Administration with transportation being provided as a public service by the Heavy Specialized Carriers Conference of the American Trucking Association, Washington, D.C.

The capsule, along with some moon rocks that were collected by the astronauts and the space suits they wore, is being transported on a specially built, 14-foot "moby" trailer.

The tour is being sponsored by the National Aeronautics and Space Administration with transportation being provided as a public service by the Heavy Specialized Carriers Conference of the American Trucking Association, Washington, D.C.

The course carries three semester hours of graduate or undergraduate credit.

Enrollment and fee information may be secured from Monroe Wicker, director of school relations, Morehead State University, Morehead, KY 40351.
