

Hot Dog Havoc

It's an old one, but Editor Mason Clifton of the Brinsley (Arkansas) Argus dug it out of his morgue and passed it on to us and we pass it on to you as a well-deserved reminder of how things were...

MERCURY VAPOURS

An Honest Answer For Something!

We used an editorial written by another editor last week and were questioned Monday as to why we didn't write one with this idea...

We'll be back to using something from another newspaper, this time a squip from the Central City Messenger's Muehleberger column written by Larry Storch...

THE PIEB OYER

I'm wild about wild westerns. Put one low-backing cow on a frontier town full of miners, entry outfits and range ponies...

Finally gave in and announced one day: "I'm carrying you a new pump!" This carries the same traumatic effect as telling your wife you've gotten her a new Christmas...

Not our persnickety cows. They gooped on grass, lapped great gales in the salt and then ruled for the watering trough with their corners mingling out as soon as we let them into the barn...

20 and 40 Years Ago Agree Or Not

I Say What I Think

Letters To The Editor

Editor, The Carlisle Mercury: Thanks for letting us hear on the radio what you have to say about our debt...

For the ecology minded there is the Reynolds Metal with aluminum can deposits across the country...

"The following concise evolution of poverty was provided by Dottie Snyder in the Ideaville Enterprise..."

Frankly, if weren't for other people in this column wouldn't be the newspaper, he...

This one was clipped from a Richmond, Va., newspaper and sent us for our possible use...

There are two bright spots in our human material, the Baptist Church, who are so nice to our children and the factory...

Who Is Whumping The Pump For All Them Thirsty Soldiers?

It's hard to live with a pumphandle complex. You never see a cowboy hold a gal with one arm and pump water for his horse with the other...

"BeWARE of the 'Ideas of March,'" a soothsayer told Julius Caesar about 2,000 years ago...

"I've always carried a livery club with me to the pump, my horse..."

Carzar was a shrewd cowboy. He was born by Caesar's section more than 1500 years ago...

Already I have seen candidates for the legislature promising to take the sales tax off of food, or repeat part of it...

Ohio Gov. John J. Gilligan may have a partial answer to college financing. He proposes that college graduates, when their income reaches \$7,000 a year...

Two political dynasties in Eastern Kentucky may lacker of Jackson, who has served before, has announced a bid for the legislature...

Another interesting sidelight along this line is that Jeff D. Howell, the brother-in-law of Turner, has filed for State Representative in the Breathitt County district...

When the long-logs on a garment read "Bum launderer" or "BORN in the U.S.A." it should not be dry-cleaned!

When the long-logs on a garment read "Bum launderer" or "BORN in the U.S.A." it should not be dry-cleaned!

What is a bonded fabric? A bonded fabric is face fabric backed by another fabric and is used to give added body and stability to the fabric...

What does "Professionally clean only" mean on a garment label? That means "do not use self-service dry-cleaning."

The man who never makes a mistake must get mighty big. "You are a hearty, robust, boy" approval on enough taxes to pay the bills...
