Price is only part of a good deal. It's what you get for your money that counts. And your Ford Dealer can do justice to you on both scores. Maverick's low price has always made it simple to own. But what you get for that simple price is a compact economy car that's not only simple to drive and maintain, but also has the best frequency of repair record of any American car, according to a recent

independent survey. Maverick offers a choice of 2-door, 4-door and sporty Grabber. And now there's a V-8 to go with three economical Sixes.

Ford LTD gives you the strength and luxury of cars costing hundreds of dollars more and a quiet ride that many of the more expensive cars can't measure up to. Maybe that's why LTD is tops in its class in sales.

## LEWIS LLEWELLYN Three-Year Term For Marriage?

Marriage, in Maryland, could become a three-year renewable contract under the terms of a measure introduced into the state legislature recently. The two members of Maryland's House of Delegates who have made this proposal are both women and both now unmarried - which must be considered significant. One is a widow, 54 years old, and the other is a divorcee, 27 years old. They are both Democrats and both black - which may not be significant. It is reported that serious inquiries about this proposed legislation have been received from all over the United States and from the foreign countries. "Totally New Approach" Mrs. Hildagardis Bowell, 57-year-old divorcee, said, "With the 3-year-old view of marriage, I think the youngsters will look upon this as a totally new approach toward marriage and a family situation. Now in U.S. farm experts in a marriage. They won't have any hangups about it."

Mrs. Lena K. Lee, the 56-year-old widow, said, "We have to offer something more than the same archaic marriage pact. We have to make it a reality for young people who are seeking a family situation. They are free to terminate a marriage. They won't have any hangups about it."
