much what the Babson staff had anticipated, and the elimination of the 10% surcharge on imports as a part of the effort to revitalize international commerce took place as expected.

INFLATION VERSUS DEFLATION The shift in Nixon's economic strategy last summer never did include a goal of deflating the economy. Rather, the object was to re-inflate the dangerous pace of inflation...

County extension agents Estil J. Noffsinger, Mrs. Margie Wilson Sara Suwango, Mrs. Margie Wilson Now that this SPECIAL Holiday season almost over, let's look toward a New Year. We have been enjoying Mother's special delishious from favorite recipes, we would like to share with you recipes of another year which are some of our favorites...

MERCURY

With the first of the year just around the corner, we at the Mercury have been busy with a bit of cleaning up of drawers, and bins, make-up stands and what have you. Now, my problem is where did we put that one or a Wage commission approval.

LETTERS

The "Farmers' Almanac" for 1972 predicts some snow for the Virginia-Caroline section around Feb. 15th to 19th of December. I am restless, I do not, economically, and agreeable. Usually calm, quiet and seldom ill-tempered. (Then they get me!) Greatest lack is procrastination. And don't you know...
