Usage tax refunds due some car owners

Frankfort, Ky.--Kentucky owners of passenger cars purchased and licensed between Aug. 16, 1971 and Dec. 11, 1971, are entitled to a usage tax refund in the amount of federal excise tax paid at the time of licensing.

The refund is also applicable to owners of light-duty trucks purchased between Sept. 23, 1971 and Dec. 11, 1971.

The seven per cent Federal Excise Tax on new passenger vehicles and the 10 per cent Federal Excise Tax on new light-duty trucks having a gross weight of 10,000 pounds or less were repealed, effective Dec. 11. The state usage tax is based on five per cent of the excise tax.

All requests for the refund must be sent to the Motor Vehicle Tax Division, Department of Revenue. A refund application will be distributed to county court clerks, to be completed and sent to the Revenue Department along with the check stub from the federal refund.

When a refund is approved by the Motor Vehicle Tax Division, a refund voucher will be prepared as a basis for the State Treasurer to write a refund check, which will be mailed directly to the taxpayer.

47 Veterans work at VA Hospital

Aaron S. Mason, M.D., Director of the Lexington VA Hospital reported today that 47 Vietnam veterans were now working at that facility. Nationwide the VA now employs more than 11,500 Vietnam veterans.

Dr. Mason said the VA had 165 hospitals in the United States and that all of them were active in hiring Vietnam veterans. Most of the new employees work in the agency's hospitals, though some are hired in the regional offices located in each state.

In hospitals the veterans are primarily hired as nursing assistants, medical technicians, food service employees, drug and alcoholism counselors and in other categories.

The total includes nearly 5,500 hired under Veterans' Readjustment Appointments (VRA) since the order establishing these was signed by President Nixon May-26, 1970.

VRA permits VA hospitals and regional offices to hire Vietnam veterans on the spot, without taking the civil service examination, for jobs in grades GS-1 through GS-5. Salaries for these grades range from $4,326 to $6,938 per year.
