'Spoke & Spark Plug' Jaycee Banquet Feb. 17

The Carlisle Jaycees will hold their "Spoke & Spark Plug" Banquet next Wednesday evening, February 17, as part of their recognition of February as "Spoke & Spark Plug Month." SPOKE, standing for Service, Participation, Orientation, Knowledge, and Enthusiasm, is an award presented each year to first year Jaycees who have met certain requirements indicating their active participation in Jaycee affairs during the year.

SPARK PLUG is a similar award presented annually to older Jaycees. The banquet will serve to honor those Jaycees who have already earned these awards this year and to urge the other members to complete their requirements. Special guests will be Kentucky Jaycee National Directors "Bo" Queen from Mt. Sterling and Jim Vernon from Corbin, who is a candidate for president of the Kentucky Jaycees, also David Graves, president of the Scott County Jaycees and candidate for National Director.

Local hospital administrator Doug Keaner and a representative of the Central Kentucky Blood Center will also be present to discuss the local Jaycees' sponsoring a Blood Donors Club. Members planning to attend the Banquet are asked to contact chairmen Joe W. Crouch or Bob Hanson.

Any young men between the ages of 21 and 35 interested in learning more about the Jaycees and who would like to attend the Banquet are asked to contact the chairmen or any Jaycee.

them since they were not covered by this type of policy.

Of the veterans who do qualify, the ones who were in World War I will receive an average of $122 each and those who saw service in the second World War, $64.

The VA explains that the amount a veteran receives depends upon such factors as his age, the age of the policy and its face value.

For those ex-servicemen who are eligible to receive dividends their checks will arrive on the anniversary dates of their policies, it is pointed out. No application for them is necessary. The distribution will take place automatically.

Much of the $7,000 going to Nicholas County veterans will reach the cash registers of local retail stores in short order, it is expected. The impact on business will be several times as great, however, because of the multiple effect that new money has when put into circulation.
