

Nursing Home News

The world in which we live is a world of human beings who do the good, the bad, the foolish and the wise things. No man extends his life, for anyone of us is touched by other people.

Ora Frayne was visited Sunday by folks from Indiana, Namon, Wilton, Lyons and children came from New Orleans.

There were three beautiful yellow roses on the nurses' desk. These came from Tony McDonald's yard.

Mrs. Claudia Wells said the dinner Sunday really suited her taste.

Some of the Baptists furnished the flowers for July 4.

Tony Dotson said sometimes the pull him out, but he doesn't have to get back in the ditch every Sunday.

Terril and Shelle Shearer made cookies for the old folks and the pull him out, but he doesn't have to get back in the ditch every Sunday.

Mrs. McDonald said on Friday that she went to Cynthia to see her mother, Mrs. Effie Whisker and she had moved to Pleasant Street, Mrs. Pauline Stone Jones of Carlisle is in the hospital. She is visiting her parents, Mr. and Mrs. Verne Stone.

We have made great medical progress in the last generation. What used to be merely an itch is now an allergy!

I've often heard of being run through the "fillet mill," but never just a week. Found out while my grandchild, I from Louisville, visited me and attended the Blackberry Festival. It was like trying to keep up with a couple of flies at a "Flea Market." It was fun but somewhat strenuous. Many people do not have this pleasure. To be natural, it is only necessary to be almost Buber-Lytton.

To be happy you must forget yourself.—Edward Buber-Lytton

Hope I get this correct. In Maude Booth Hardie's papers, letters, pictures and cards, we found a little book which Miss Anna Floss Mitchell presented to her eight grade class of 1915. This Miss Mitchell gave as a Christmas gift to each of her pupils. The following is part of the message engraved on each: "Life is a great school. Every day is a new lesson. Know thyself, do thy duty, love thy God, love his neighbor—more in heart than in feature."

Inside the book were two pictures. One was the picture of the boys in the class. The other was the picture of the girls. Names were on the back of the pictures. The boys: Lawrence, James Reese Roberts, Cobel Henry, Newman Elfron, Harry B. Tilton, George Carter, Richard Cummins, Roger McClanahan, Herman Norriss, Oney Gifford, and Oliver Lambert. The girls: Gladys Fisher, Rowena Collins, Lucille Clark, Lillie Collins, Elizabeth Cole, Elizabeth Holmes, Winita Crouch, Maude Booth, Alice Smith, Ruth Lawrence, Thelma Paris, Pearl Ritchie, Della Hornback, Florence Crain, Edna Tamm, Carrie Feasack, Willie Barr, Catherine Clancy and Anna Frances Myers. Miss Mitchell's picture was in both.

Made said at that time the Carlisle School was over crowded and Miss Mitchell's classes were held over the Farmer's Bank which she brought to school and passed out to the class. Many of these people have gone to their eternal home.

Sheila and John Barrett's grandchildren of Indiana are visiting here.

At this writing, Warner Lowe is the only one left in the class. Every man's neighbor is his looking-glass.—James Howell

Tom Emberton Calls For Removal Of 5 Per Cent Sales Tax On Food

Tom Emberton said today he would "propose and actively support legislation that will remove the 5 per cent sales tax on food sold to a nominee for Governor in the November General election, made the announcement at a series of press conferences held across the state. The first announcement was made at an early morning conference in Louisville.

Emberston pointed to the astronomical growth of the state, sound management and fiscal responsibility; instituting economic in state government; a proposed federal revenue sharing plan; a previously announced plan to create 200,000 new jobs in the state; coupled with an improving national economy and a proposed severance pay after the tax is removed.

Citing "economic" as the greatest single concern of the citizens of Kentucky, Emberton said "I am convinced that state government must have a hand in this state. It must care, as well as act. It must be concerned, not merely competent."

The economic issue is one that has been raised in our public hearings all across the state in recent months," he said.

"I am convinced that those given the opportunity for leadership must do everything possible to make the family dollar go further, Emberton added.

Discussing a proposed severance tax on minerals he noted that the value of minerals produced in Kentucky rose 38 per cent in 1970, as compared with 1969. He said that the Emberton plan, that normal growth in state revenue will provide an additional \$150 million in the first two years of our administration.

"It is clear the state will have a substantial surplus for the present year," he added.

"We are proud to come to the people of Kentucky, not with the old political shill game of profit to me and loss to you," Emberton said, "but with the sincere pledge that we will lift a severe tax burden from the people."

Emberston concluded, "We offer more than a promise. We offer evidence of how tax relief can come and how the development of our state can continue."

Jim Host, nominee for Lt. Governor, in a brief statement said Governor Louie B. Borne had presented an opportunity for tax relief in the 1970 session of the legislature and the Lieutenant Governor and the Speaker of the House responded by raising taxes, by raising interest rates and by robbing the Teacher's Retirement Fund."

"Let them deny," Host said, "that during the last 12 years they have been associated with every tax increase put on the people of Kentucky."

"Kentuckians are fed up with their kind of political hypocrisy," Host added.

Emberston and Host scheduled press conferences in Northern Kentucky, Lexington, Ashland, Henderson, Bowling Green and Paducah, following the Louisville announcement. They also appeared before newsmen in Knoxville and Nashville who serve southern Kentucky counties.

Catholic Church Vacation Bible School Climaxed With First Communion June 25

Climaxing the Shrine of Our Lady of Guadalupe Vacation Bible School was the reception of their First Holy Communion by David Lubbs, Paul Quinn, James Dabbs, Nolan Owen, Patrick Knapke and Fareed Koury (pictured left to right).

Pictured (2nd row, left to right) with the first communicants are the VBS staff: Sister Mary Anne S.N.D., who was also guest lecturer at the evening session; Sister Kevin, theology teacher at Notre Dame Academy, Covington, studied theology at Regina High, Pontiac Institute for Religious Arts, and the other Sisters of the Degree in theology from Providence College, Providence, R.I.; the other Sisters of the Degree are: Sister Mary Slema, A.S., and crafts, former art professor at Thomas More College, Ft. Mitchell; Sister Mary Winifred, kindergarten and first grade, teacher and librarian at St. Mary School, Alexandria; and Sister Mary Francello, principal, St. Therese School, Southgate, preparatory instructor of the first communicants.

Pictured in the last row with Rev. Herman B. Kamlage, Pastor of the Shrine parish, are two seminarians of the Diocese of Covington, Dan Noll and Greg Schuler. Both young men are college seniors at the Seminary of St. Pius the Fifth, St. Louis, Mo. They are teaching the seminarians were in charge of singing and preparation of the daily liturgical services. Dan Noll is a brother of the new vespertarian, Dr. James Noll, who has just begun his practice in Nicholas County.

During the closing VBS liturgy Christopher Scott Knapke, newborn son of Mr. and Mrs. Kenneth Knapke, was baptized and welcomed into the Christian community. Godparents were Frank Knapke Sr., grandfather, and aunt, Mrs. Renee Knapke.

In his sermon, Father Kamlage emphasized how the reception of these sacraments, Baptism and the Eucharist, were two phases of meeting Christ for the Christian. Developing this theme Father Kamlage said baptism was the initiation into the church; the person baptized is made a child of God and initiated into the Christian community. The Eucharist, he said is the Bread of Life which keeps God's life within the Christian alive and brings to fruition the
