

By Kay Flahe

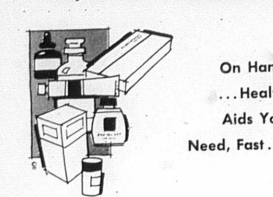

Kay's Kitchen

Since chicken continues to be one of the most economical meats on the market, I've been looking for recipes using chicken. Though it is hard to beat crisp fried chicken a change is always welcome. These variations may give

- 1/2 teaspoon poultry seasoning
- 1/4 teaspoon pepper
- 1 cup cracker crumbs
- 1/4 cup water (more or less)
- 1 egg
- 1 1/2 cups cooked chicken, chopped
- grated cheese to taste
- 6 slices of ham
- 1/4 cup chopped onion
- 1/4 cup margarine
- 2 tablespoons parsley flakes

"OLDHAM'S"

Mt. Sterling, Ky.

GRADUATION

What is graduation? To many people it is the same old rite of passage, the same old flapping banners, and the same old crying. But to the members of the Nicholas County High's Class of 1971, it is not the same old thing. Last Friday night those seniors received diplomas saying they had completed the Program of Study for Graduation from this School.

As a senior you are a new life, Rev. McSwain told them. "There's enough potential in these 73 lives to change the course of history."

Gov. Names Environmental Health Aide

A physician with a master's degree in environmental health has been appointed by Governor Nunn to the state Health Department to study the effects of water, air and food pollution on the human body.
