To Those In This County Who Care: I would like to make a public statement on my declaration of this race for representative of the 7th district. It is my understanding that three candidates will be on the ballot (picture drawn for Frank Ruffin with Charles H. Burt and Wendell Ford.) I also understand that Mr. Billy Patter is now withdrawing from the race giving his support to my opponent, Wendell Ford.

Personal Message To People of Nicholas Co. I would like to express my deep appreciation to the people of this county for the warm, cordial and considerate manner that have been shown to me and my workers during this campaign.
