4-H bridges the gaps
"Caps... Caps..." We're bonhomed with talk about gaps, Generation gaps, Race gaps, Credit gaps, Amid this atmosphere, 4-H this year chose as its National 4-H Week theme the slogan "4-H Bridges the Gaps". The difference? The slogan is open-ended—you can finish it anyway you want. It can mean, perhaps, "4-H bridges the 'gap' gap," the understanding gap, "the communication gap".
And, in Kentucky, 4-H continues to bridge the gap between youth and adults and between those from different backgrounds.
