Kay's Kitchen

By Kay Fisher

Kay's Kitchen is going to diverse this week. There are no recipes but literally "food for thought". The following was sent to me by a friend and I enjoyed reading it so much, I thought anyone interested in reading recipes would also enjoy reading a banquet menu of a hundred years ago.

In describing the menu for the banquet it goes thus . . . "nothing was wanting to make it in every respect excellent, unexceptional and perfect. The array of comestibles and things virous was no less choice than abundant and the occasion stands pre-eminent",. .

UC offers new courses

University of Cincinnati's Ohio College of Applied Science, 100 E. Central Parkway (45210), now offers four associate degree programs in business, two of which are new this fall. They are: Accounting Technology and Business Data Processing. Other sequences are Retail Marketing, and Small Business and Franchise Management.

Each specialty leads to the Associate in Science degree upon completing a two-year cooperative curriculum, including such basics as English composition and the psychology of human behavior --with co-op job experience planned for the second year.

Ted R. Compton, head of OCAS business programs, stresses their value to all small business managers and owners as well as high school graduates and returning veterans who want a career in business or industry.

Those who achieve the degree in Accounting Technology at OCAS will be prepared to pass the Certified Public Accountant exam.

Computer programming and application (main campus facilities also are available) are studied in Business Data Processing. Ways to increase sales and good customer relations are emphasized in Retail Marketing. Broad study of business operations is the emphasis for retailers in Small Business and Franchise Management.

Admission requirements for those programs are a high school diploma or equivalent, one year of high school algebra, and results of the American College Test or the Scholastic Aptitude Test.

Applications for Fall 1972 are now being accepted. For information, contact Roy Vandegrift, OCAS admissions officer: (513) 475-6506.

Solitude

Linda Elliott, Covington freshman at Morehead State University, found a friendly lawn for her studies on the MSU campus.

LL trophies to be given Sat.

The Little League Baseball players will have a weiner roast at the ball park on Saturday night, Oct. 16 at 6 p.m.

All players and parents are urged to attend. Each family is asked to bring one package of hot dogs and one package of buns.

Trophies will be presented to the season winner team and the winning team of the tournament. There will be a trophy for the player with the highest batting average for the year also.

All players are asked to wear their uniforms.

The Wage-Price Freeze — Questions and Answers

Internal Revenue Service

This column of questions and answers on the Wage and Price Freeze is provided by the local office of the U. S. Internal Revenue Service and is published as a public service. The column answers questions most frequently asked about the Wage and Price Freeze announced Aug. 15 by President Nixon.

Q - Can prices be raised on World Series Tickets?

A - No. The admission price for sporting events, such as this, occurring during the freeze period may be no higher than charges made during the applicable base period. In the case of the World Series, this will generally be the price charged last year.

Q - My employer is transferring me to a high cost-of-living area. It has been the policy of my company to increase the pay of employees transferred to such areas. Can I receive this increase?

A - Yes. However, your employer must be able to document the existence of such a plan prior to the freeze, and must not increase the differential during the freeze.

Q - Can deposits for apartments be raised during the freeze?

A - No. This is not permitted during the freeze.

Q - I want to apply for an exemption from the freeze. How do I go about it?

A - Persons seeking exemptions from the price, wage or rent ceilings should submit written requests in duplicate to the Director of the Office of Emergency Preparedness Regional Office for their geographical area.

The request should state;

(a) name, address and telephone number;

(b) nature of business;

(c) manner in which the wage-price freeze is believed to be grossly inequitable;

(d) the specific relief sought, and

(e) whether the individual or anyone affiliated with him has previously been granted or applied for an exception, exemption or adjustment.

Q - Prior to August 15, my company scheduled a profit-sharing program for its employees. Can the program be implemented during the freeze?

A - No. A company's previously scheduled profit-sharing program cannot be implemented during the freeze. All other fringe benefits, including, expense accounts, commissions, discounts, stock options, payments for deferred compensation, etc. are also frozen.

Q - My church is asking us to increase our contributions. Can this be done during the freeze?

A - Yes. Charitable contributions are not frozen by the President's order.

Q - How can you tell if a distributor of imported goods is passing on the sales ticket or invoice, in dollars and cents, the surcharge passed on to the purchaser. If the importer or distributor elects to pass on only a portion of the surcharge, he is still required to indicate penny-for-penny the exact amount passed on.

Pancake Breakfast - Auction

Don't forget the Rotary Club sponsored Pancake Breakfast followed by a community auction this Saturday, October 16, at the "Variety Store" building on Locust Street.

Starting at 5:00 A.M. and continuing thru the noon hour the Rotary Club will be serving pancakes, sausage, coffee and all the extras for $1.00.

Door prizes will be awarded every half hour.

Shortly after 1:00 P.M. there will be an auction, selling everything from antiques to new furniture. Earl Hamm will be the auctioneer and a large crowd is expected. Anyone having any items they would like to donate to the auction or if you would like something sold on a commission basis please contact any Rotary member and arrangements will be made to pick it up.

All proceeds from both breakfast and auction will go to the Nicholas County Recreational Field Project.
