Kay's Kitchen

-- By Kay Fisher

Don't know if it is that spring has a way of lingering around the corner these days or just what. Anyway there/doesn't seem to be any way to hurry it along so we might just as well try some recipes that are a bit different. Even when I'm away, as I have been the past two weekends, I try to get at least one or two new recipes. Now I have come up with some real "way out" ones at times, but think this one for biscuits beats them all. The recipe says "Beer Biscuits". However, since watching the process from start to finish I would call them muffins instead of biscuits since they are the consistency of muffins and baked in greased muffins pans. And I must add delicious. So here you are:

BEER BISCUITS

3 cups biscuit mix
2 tablespoons sugar
1 - 12 ounce can warm beer

Bake at 400 degrees for about 20 minutes. Makes 22-24 biscuits.

One half of this recipe would make enough for the average family.

If you think you have prepared broccoli in every manner, just wait, this new concoction may be just the one for you.

Right now, I'm more in the mood to serve it with a good Hollandaise sauce or lemon juice, But if you want to extend your broccoli to feed more people the casserole will do it. After all one cannot ignore the high cost of eating and a casserole is one of the best ways to stretch most foods and they can usually be frozen or prepared ahead of time.

ZEE--BROCCOLI

2 packages chopped broccoli (hot)
1 cup mayonnaise
3/4 package sharp cheese (cut up)
1/2 cup chopped onion
3 eggs beaten
1 can cream of celery soup

Butter baking dish, add all ingredients and cover with rich butter cracker crumbs. Bake at 350 degrees for 45 minutes.

Widows of New Guinea's Aamat tribesmen roll in the mud to mourn their husbands, National Geographic says. The ritual is intended not only to display anguish but also to mask the women's scent from his ghost.

Nicholas Elementary holds two successful 'firsts' within week

by Joanie Conley

Two "firsts" occurred at Nicholas County Elementary within the last week. And, both were huge successes due mainly to the efforts of Mrs. Brigid Sutton, Physical Education teacher at the school, who commutes from Lexington.

The P.E. Department, under the direction of Mrs. Sutton, Miss Barbara Parsley and Mrs. Reba Wills, presented a program Monday night at the regular meeting of the Nicholas County P.T.A.

After only one year of fullfledged P.E. courses in the new school, students amazed their parents in vaulting, warm-up exercises, tumbling and with antics on the parallel bars, gym dollies and the parachute.

Parents clapped enthusiastically and many were heard expressing their surprise at the proficiency the children had acquired in only one year.

The second "first", under the sole direction of Mrs. Sutton was a cheerleading clinic for girls fourth grade or older. It was held Friday afternoon and Saturday morning at the school.

About 40 girls attended the clinic that was the first such opportunity for many of the girls. The Jr. High cheerleaders taught cheers, jumps, and emphasized pep, enthusiasm and imagination. Mimeographed cheerleading pamphlets were given to all the girls.

Many after school hours were spent preparing both "firsts" and they showed it.
