Nursing Home News

By Virginia Donovan

Life is short and we have much time for gladdening the hearts of those who are traveling the dark way with us. Oh, be swift to love! Make haste to be kind!--Henri F. Amiel.

Bill Woodwall and son of Paris and Hugh Woodwall of Cincinnati were around to see their mother and grandmother, Mrs. Gertrude Woodwall.

I am reminded that today is Valentine Day. My late mother and father, Mr. and Mrs. Roy H. Smith, were married on this day 78 years ago.

The Central Council of the Carlisle Christian Church came Wednesday and visited several of the members and friends.

Herman Snapp is a new patient. He came from a Lexington hospital. He hails from the Stoney Creek section.

Mrs. Gertie Brumagen's (I believe I have it right) great granddaughter, Patty Matthews came from Lexington to see her.

Paul Crouch of Lexington came one day and brought a bag of "goodies" to his aunt, Mrs. Essie Dalzelle.

The Nicholas County Methodist men had charge of the weekly worship service Sunday afternoon. It was a great service. About 50 were present including the ones outside of the little chapel. Anna Mae's son, Rev. Gaylord Gillispie, was the speaker. No wonder Anna Mae keeps a nice smile, she has much to smile about. There were several specials by the different churches. Gaylord talked on the commandment "Honor Thy Father and Mother." He gave much credit to his parents for the way he was serving his Lord. Said he wished his mother were there and just as the meeting closed Anna Mae came in. She was on duty and was listening to him when she wasn't administrating to the patients.

Mrs. Ruth Galliger Barbee of Lapel, Ind. sent valentines to several of her old teachers and friends.

The average child entering school will already have spent 5,000 hours watching TV.

Marjorie Brasfield of Lexington came to see her aunt, Miss Cordia Bell.

Claude Pepper's little sweethart niece, Lida Wagoner of Fleming County, was visiting in the home Sunday.

Mrs. Ethel Booth's daughter, Alma, who is now Mrs. William Davidson, and I were always good friends. It seems as if Alma needed her tonsils removed. Then Dr. O. S. Kash's office was where the late Dr. Hutchings and Dr. Riggs and Sparks were located. Dr. Kash had a specialist from Louisville who came over and soften and removed tonsils. One afternoon after school, or it might have been on a summer day, we went to see Dr. Kash. Wanted him to remove the tonsils right in his office. We wanted to surprise Mr. and Mrs. Booth. I had a pony and buggy and I was going to take her home. I think we were in about the fifth grade. Later I had my own tonsils removed and it wasn't a Chinese tea party at that!

Mr. and Mr. Henry Allen were down to see Helen's mother, Mrs. Dalzalle, said they were buying their farm back and were moving back to the country.

One of the troubles in the world today, is the fact we have allowed the Golden Rule to become a bit tarnished.

Mrs. Doris Rogers is a new nurse's assistant.

Aunt Cora Gaunce was really dressed up Sunday. She had on a beautiful new rose colored robe, must have been a Christmas present. Her hair was nicely done and she was wearing her glasses. She looked like her same old self. I had not seen her sitting in a chair for many weeks.

Mrs. Ethel McCarty had a beautiful pot of valentine flowers. The card said "We love you mother, Wilma, Ben and family." She had some other pretty valentines too.

Mrs. Oscar Johnson and Mrs. Irene Insko of Mt. Olivet were at the home Sunday to visit Oscar Johnson and other friends.

Ollie Finch said the folks come from the Carlisle Christian Church each Sunday to serve Communion to him and others. Said he had been a member of the church since he was 12 years old.

Mrs. Nancy Harper and John White Sr. are in the local hospital, and Mrs. Victoria Helphenstine of Fleming County is a new resident.

My friend, Kay Conley, was in to see me. Said she had just come from the home, Mrs. Nolasco's fourth grade Language Arts class had made valentines for each of the old folks and gave each one a little paper cup of candy. Kay said they had a party at school, charged two cents admission and made money to buy the candy with.

The Lincoln birthday favors were made by the Couples Class of the Methodist Church.

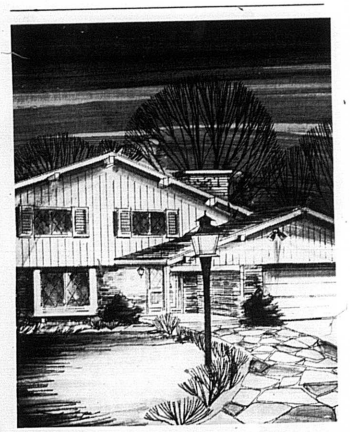
The Valentine favors were made by the Nicholas County High School Home Economics Class and teenage girls of the Baptist Church.

Mary Lois Campbell and Mrs. Cordia Hamilton were around making visits to the home and scattering more sunshine.

Mr. and Mrs. George Clark of Fleming County came to see Mrs. Mable Darnell and other friends, Sunday.

Mrs. Lutie Wilson Layson of Millersburg came Sunday to see friends at the home.

If money is your only hope for independence, you will never have it. The only real security that a man can have in this world is a reserve of knowledge, experience and ability.--Henry Ford



There's beauty in light...safety, too

You're proud of your home—so why hide it after dark? Outdoor lighting tells the world you have an eye for beauty. It also warns intruders to keep their distance. And extends daytime fun into nighttime hours for your family. Outdoor lighting works for you so many ways—a real bargain value on today's low rates. For example, it costs less than 3 cents to burn a 100-watt bulb over-night.

Take advantage of bright ideas in night lighting! Stop in at any KU office for your free copy of "Light for Living...Outdoors."

KENTUCKY UTILITIES COMPANY

Light for beauty • Light for safety • Light for recreation • Light's for night

Nursing Degree deadline Mar. 10

"Planning for the Associate Degree Education in Nursing at the University of Kentucky began in 1962. Since 1963, when the first class opened at the Henderson Community College, enrollment has increased steadily, and there are now seven programs accounting for the largest enrollment in any of the technical fields offered in the Community College system."

These were the words of T. Frank Jones, as he announced that Maysville's program has been approved at a meeting of the Licking Valley College Development Corporation Tuesday.

Mr. Jones, president, is serving as chairman of the drive to raise funds to underwrite the first two years of the program. Although pleased with the response, he emphasized that the goal is not yet reached, and urged citizens to send contributions to Robert G. Zwelgart, treasurer, Cochran Bldg., Mayaville, KY 41056.

Plans formulated

Making plans for the "Youth for Christ" program with the Rev. John T. Render, C.P., are Pat Conley and Martha Dunn, both of Carlisle, and Mike Woodall of Paris. Youth Committee representatives of the Shrine of Our Lady of Guadalupe. Assisting Father Render will be Steve Mudd, C.P., a Passionist Seminarian.

Applications from 75 prospective students have been received by Miss Catherine Malone, Director, and March 10 is the deadline for those wishing to apply for the fall term. Applicants are from Mason, Bracken, Fleming, Robertson, Nicholas and Brown counties so far, with one student transferring from Jefferson County.

Miss Malone stresses that the program is open to both males and females, and that, at the completion of the two year program, after passing the state board examination, the graduate with an associate degree in Applied Science of Nursing is equivalent to the registered nurse.

Youth for Christ scheduled Sunday at Shrine

The "Youth for Christ" program will be held Sunday afternoon, Feb. 27, at the Carlisle parsonage at 3 p.m. Contemporary readings and music will provide the background for the NOW experience of Christ. The program will conclude with a Eucharistic worship service and supper.

All Nicholas County High School students are invited to attend as guests of the Rev. Herman B. Kamlage, Administrator of the Shrine parish. Anyone planning to attend should contact Pat Conley, 289-5594, or Martha Dunn, 289-5876 before Friday noon, Father Kamlage asks.

Father Render is a Passionist Missionary priest, of national renown, from Louisville, conducting the "Christ in the Home" revival program for the Shrine of Our Lady. Steve Mudd is currently engaged in Christian youth work in the Louisville area, in addition to attending Bellarmine-Ursuline College.

8 pack, 16oz. Pepsi 79¢ plus bottles

CONGRESS VOTES

William P. Curlin Jr., Sixth Congressional District, Kentucky.

The House of Representatives resumed its work on Wednesday following the Lincoln's Birthday recess.

The two-day session this week was taken up by debate on a bill extending the Economic Opportunity Act of 1964 for another two years. The bill (H.R. 12350) authorizes $5.3 billion to carry out the Act, expands the Headstart program, and establishes a National Legal Services Corp. There was one record teller vote on a proposed amendment to H.R. 12350:

The Quie amendment extends the Act for two more years and authorizes $4.2 billion to carry out present programs. Ayes 159, Noes 206. Quie amendment rejected, Feb. 17, Mr. Curlin voted no.

Whether to pass H.R. 12350. Yeas 234, Nays 127. Passed, Feb. 17, Mr. Curlin voted yea.

Procedural Highlight--As soon as a bill has been reported by the House committee handling it, the bill is assigned to one of three calendars of business.

The Private Calendar is reserved for bills which involve named persons, usually in connection with immigration cases or money payments in settlement of claims against the government.

Most public bills go to the Union Calendar which is reserved for those measures which raise money or provide money for government activities. All remaining public bills are placed on the House Calendar.

Most controversial legislation on the public calendars requires a resolution from the Committee on Rules before it can be brought to the House for debate.

Bluejackets have disappointing week

By Rob Lane

The Nicholas County Bluejackets had a disappointing week. They were simply outclassed by top-ranked Maysville who left Nicholas County last Tuesday night with an 87-41 victory.

Reese Smoot was high scorer with 15. He also had 11 rebounds and seven recoveries.

Nicholas County literally gave the ball game to Lewis County Friday in a 54-52 decision. High point man was Rex Boyd with 17.

Individual scores:

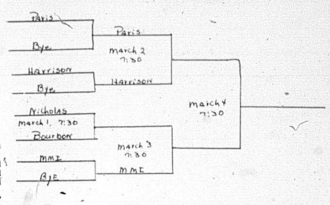
Nicholas County--Hatton 5, Smoot 15, Bromagen 2, Barnes 2, Jones 9, Boyd 5, Berry 3.

Maysville--Kelly 8, Humphrey 11, Hall 3, Brookins 4, Walker 16, Mallory 2, Smith 20, Turner 9, King 8, Thomas 2.

Nicholas County--Hatton 6, Smoot 8, Barnes 10, Fryman 3, Boyd 17.

Lewis County--Kamer 7, Prater 6, Cooper 14, Johnson 4, Lykins 12, Reeder 2, Secrest 9.

District Tourney March 1 - 4



Nicholas County basketball coach Bill Anderson announced the 37th District Tournament schedule last week. The games will be held March 1-4 at the Paris Southside gymnasium. Officiating will be Myron Reinhardt and Jim Johnson.

New production set for Berea

The award winning outdoor historical drama "Wilderness Road" will be produced in a new production this summer under the sponsorship of Berea College. With extensive revisions by playwright Paul Green, the play is set for a June 29 opening and will play nightly excepting Mondays through Labor Day, Sept. 4 in Indian Fort Theatre near Berea.

The appointment of George Mallonee as managing producer was announced recently by Dr. Willis D. Weatherford, president of the college. The director, choreographer and other production staff members are expected to be announced shortly in order that casting auditions may begin as soon as possible for the 100 members of the company. Mallonee says that it is expected to be a professional company augmented by promising young talent.

The drama, acclaimed by critics as the best of the Paul Green outdoor dramas, was first presented as part of the college centennial celebration in 1955, and played for four succeeding years.

Tickets for "Wilderness Road" are to be priced at $4, $3, and $2 for adults and $3, $2 and $1 for children. Special group rates will be available. Further information may be obtained from the Wilderness Road office.

Last-minute tax filers make most mistakes

Louisville--Last-minute income tax filers should double check their returns, since those filed just before the deadline are much more likely to contain errors, Robert J. Dath, Internal Revenue Service District Director for Kentucky, said today.

Errors on returns delay processing and any refund that may be due.

Missing information accounts for many of the errors Mr. Dath said.

This type of error could be a return received without a required signature, Social Security number or W-2 statement.

Taxpayers who use the tax form they receive in the mail can avoid Social Security number problems, Mr. Dath said. These forms have pre-addressed labels that show the taxpayer's name, Social Security number and address just as they appear in IRS files.

The label can be lifted off the form it came on and placed on the Form 1040 that you file.

Mr. Dath advised taxpayers who have someone help them with their return to be sure their pre-addressed label is on the form they file.
