WHERE YOU GET PERSONAL ATTENTION

Enjoy Smokeless, Flameless Cooking Outdoors... Electrically!

Everyone enjoys the taste of grilled steaks and hamburgers during the warm spring and summer months. But no one likes to deal with charcoal, flame starters, fire, smoke, and messy clean-ups. You can enjoy the taste and skip the mess with a clean, flameless electric grill.

Your grilled meats still retain that mouth-watering charred flavor without the unwholesome side effects of charcoal cooking. An electric grill is easy to operate... easy to clean... and it makes an attractive addition to your porch or patio.

Here's another outdoor friend: a portable refrigerator! Light-weight, compact, and efficient, but roomy enough to keep drinks, ice, or meat cold right on the spot.

Enjoy your outdoor dinners this year with the clean, flameless efficiency of an electric grill and portable refrigerator.

Electricity — the cleanest energy you can use.
