

Nursing Home News
By Virginia S. Donovan

Those who bring sunshine to the lives of others cannot keep it from themselves.—Sir James Barrie
Robert Toudt said his nephew, Arthur Hedge of Mt. Sterling had visited him.

I was away for a few days, went to visit my daughter and family in Lorain, Ohio. I found out how far I was behind in the way of transportation. My only way is "shanks pony" and one of them is slowing down on me. My son-in-law in Ohio has pilot licenses and is still studying, wants to teach flying. The son-in-law in Louisville is engineer on the I. & N. and the one in Kennon county is master mechanic for Square D, whatever that is, anyway. Mrs. Claudia Well's daughter, Ann Scales, of Fla. is visiting her.

Mr. and Mrs. Calvin Minton visited Mrs. Mable Becker Sunday afternoon. They said they lived down on Cassidy 25 years. Mrs. Becker's father, Luther Vice's house.

Mrs. Fannie Earlywine is a new patient. Mr. and Mrs. Orville Kearns of Fleming County visited her. Mrs. Myrtle Heran is a new patient. They are rooming together.

Some of the rooms and the nurses station had some pretty painted daisies which Mrs. Sarah Willis slater, Miss Kelley had sent. Turner Donahoe was so glad to see his grandson, Rodney Fryers, who Lisa and little grandson, Kelley, Mrs. Mary Rogers' good sister of Bethel is so faithful. Mrs. Rogers had some pretty asters in a vase by her bed, some of Mertie Jones special. She has them all around her trailer.

Mr. Porter always has a friendly greeting when I see him and ask how he is, always says, well I don't see much difference, just one day older than I was yesterday. Now he's able to go in a wheel chair out to the dining room which makes him very happy.
Viola Weible of St. Louis is visiting her mother, Mrs. Flossie Barnett.

Hearts filled with love and good will give encouragement to others. Landon Stewart was wearing a pretty green sport shirt, said his boss's daughter brought it to him. Mrs. Flossie Barnett had lots of company from Hillsboro, Ky. They were Mr. and Mrs. David Jent and Cathy and David Barnett and Sharon Grammie.

I do hope I get this right. Mr. and Mrs. Malcolm Thomas, Mr. and Mrs. Edward Leace and grandson visited Herman Coopers one day last week. Part of them were from Dayton, Ohio, think Mr. Herman said the ladies were his brother's daughters. Oh yes, it seems as if some came from Kansas, and he hadn't seen them for four years.

Mrs. Essie Dazelle was glad to see her daughter, Helen Allen and Henry, for Helen has not been home long from the Paris hospital where she had major surgery. There are no small acts of kindness.

Love and sympathy can lower the barriers of misunderstanding. J. R. Campbell of Lexington came to visit his sister, Billie Weathers and brought her a "big basket of fruit of every kind, was a "split" basket, the kind we used to take to basket dinners. J. R. is going to Europe and the Holy Land and will be gone 45 days. Thought for the Day.—Unless we accept the way of love, mankind can perish at its own hands.

At this writing Nancy Harper and Elmer's Fredrick have returned from the hospital but Tony Dotson and Mrs. Ethel McCarty are still confined there.

We want to express our sympathy to the Rosco Morris family of the loss of Rosco's father, Herbert Morris of the county.

One old home resident watched the electric fire place all day one day. He didn't go back anymore. Some one asked him why, he said, "they need not think I'm going to cut wood for that fire place." I didn't come to be told I'm burning the candle at both ends said the patient to his doctor. I came for more wax.

If you want to be happy, begin where you are. Don't wait for some rapture that's future and far. It's to be joyful, begin to be glad, and soon you'll forget that you ever were sad.

Western Enrollment Peaks at 11,535

Western Kentucky University fall enrollment has climbed to a new record total of 11,535, based upon figures released today by University Registrar Rhea P. Lazarus.

Last day for full-time students to register was Sept. 1, Sept. 6 was the final day for registering for a reduced program. Classes began Monday, Aug. 28.
