

Overheat now, freeze later

President Nixon's call for voluntary conservation of energy places a clear responsibility on the citizenry. Those who are tempted to carry those who imagine that to delay strong steps until severely cold weather strikes, ought to heed the admonition. The Wall Street

Each County News-Outlet is receiving a 10 to 20 percent increase in one of the nation's most vital services, delivery of mail, scheduled to begin in January. First class mail, the letters we write, will jump from 8 cents to 10 cents per ounce, a 25 percent hike. Airmail will rise from 11 to 13 cents; parcel post will rise 6 percent, and

advertising and circulars will be hit an additional 20 percent. Second class newspapers and magazines... are being singled out for extra high boosts as the Postal Service moves to make its announced objective of making all mailers pay the full costs of handling the mail they are sending.

The Postal Service has been ranked by inflationary wage increases. Union contracts signed this year will cost an

Cook's Tour

by Nancy Cook

Occasionally a Senator's job includes other visits than one's home state. Marlow recently was appointed chairman of a committee to study and make recommendations on the status of Puerto Rico. The group includes representatives from the states and that island, which is a commonwealth of the United States.

Now is the time for all feathermerchants to come to the aid of their country

Sitting there shivering in a 48-degree room, it warms my heart to know I am making a personal sacrifice for the good of my great country. I am not a patriot, I am a patriotic thing doer.

which was just around the next bend in the creek. Unfortunately, no one was around to see the President, so he slipped and fell a lot worse than they really were.

Only in a Republic like ours do you have a President who is elected by the people. In a Republic like ours, the President is elected by the people.

Agree or Not

By S. C. Van Curen

FRANKFORT—Budget makers here are scratching their heads over the budget to be presented to the 1974 legislature for the next biennium.

Normal growth was about nine per cent for the last fiscal year, but Ross says he certainly can't anticipate this for the next two years.
