Kay's Kitchen

— — By Kay Fisher — — —

Start thinking about Christmas candies and have all ingredients on hand for that day when you are in the mood for candy making. Too, some candy is best made on a clear, sunny day. Make enough for your family, some to send to a neighbor, and don't forget the small visitors that are sure to visit during the holidays.

In the spring Mrs. V. Forsha of Valley Station sent this basic Fondant recipe. This is one candy you can make now and use as needed. I will give it just as she sent it to me.

BASIC FONDANT CANDY

6 cups sugar
2 cups water
1 tablespoon white corn syrup, or pinch of cream of tartar

Place sugar and water in large sauce pan and heat until sugar is completely dissolved. Wipe down inside of pan with damp cloth. When syrup boils add corn syrup or cream of tartar. Continue to boil, do not stir. When 240 degree temperature or soft ball stage is reached, remove from heat at once. Let stand about 4 minutes or until air bubbles disappear; now pour into a large damp platter or marble slab. Syrup should be only 1½ inches deep. Put in a cool place until lukewarm then beat with wooden spoon. Turn sugar backward and forward leaving no spot untouched. Whole mass will become white. Knead until smooth and free from lumps. Wet and wring out a small towel and place over Fondant for 1 hour. This is the curing process. Remove cloth and knead as bread dough until creamy and smooth. Store in air tight jar. Suggested flavorings for basic fondant: peppermint, vanilla, almond and cinnamon. Any color may be used. When getting ready to use fondant place 1 cup fondant in top of double boiler or dish in pan of water just below boiling. Stir only enough to blend color and flavoring. Stir as little as possible. Nuts and coconut may also be added to basic fondant. If more recipes or hints are wanted, write Kay's Kitchen or Mrs. Violet Forsha, 5500 Speedway Ave., Valley Station, Ky. 40272. I have several recipes Mrs. Forsha sent me using the basic fondant recipe.

CHOCOLATE CHIP COFFEE FUDGE

2 tablespoons instant coffee
3 cups sugar
dash salt
½ cup evaporated milk
2 tablespoons light corn syrup
1 cup milk
3 tablespoons butter
1 teaspoon vanilla
½ cup chopped nut meats
1 pkg. semi-sweet chocolate chips

Combine instant coffee, sugar and salt in sauce pan. Add milk, corn syrup and evaporated milk. Bring to a boil, stirring constantly. Wipe sides of pan with damp cloth. Continue cooking, without stirring, until small amount of mixture forms a soft ball in cold water. Remove from heat. Add butter and vanilla, but do not stir. Cool to lukewarm, then beat until mixture loses its gloss. Add nuts and chocolate chips. Turn into lightly greased 8 inch square pan. Cool and cut into squares.

BOURBON BALLS

To 1 cup vanilla wafer crumbs, (chopped fine) add 1 cup chopped pecans, 1 cup powdered sugar, 2 tablespoons cocoa. Then add ¼ cup bourbon, 1½ tablespoons white corn syrup, and mix with crumbs, nuts and cocoa. Form into balls and roll in powdered sugar. Keep cool until ready to serve.

KENTUCKY COLONELS MINTS

Mix well 1 pound box confectioners sugar and 1 stick (¼ lb.) butter. Mix well 1 pound box confectioners sugar and ½ cup plus 2 tablespoons Creme de Menthe. Combine the two mixtures. After mixing make into small balls in which you have added ½ pecan, which has been soaked in bourbon overnight, then dip in chocolate. For dipping: Melt 6 squares semi-sweet or unsweetened chocolate with 2 tablespoons paraffin. Dip balls in this to cover.—Toby Elder, West Carrollton, Ohio.

CANDY DATE ROLL

2 cups sugar
1 cup milk
1 pkg. seeded dates
1 cup or little more chopped pecans
2 tablespoons butter
dash of salt

Cook together sugar, salt, dates and milk. Stir constantly to prevent burning. Cook to soft ball stage. Remove from heat, add butter and nuts and cool. Beat until thick. Roll mixture in damp cloth and put in refrigerator until hard. Roll in powdered sugar and slice. Keeps well in refrigerator if wrapped in wax paper.

MASHED POTATO CANDY

½ cup mashed potatoes
1 lb. powdered sugar
½ cup peanut butter

Mix warm mashed potatoes with sifted sugar. Roll out in an oblong shape and spread with peanut butter. Roll up like jelly roll and cut into slices.

SWEDISH NUTS

1½ cups blanched almonds, 2 cups walnut halves, 1 cup sugar, dash of salt, 2 egg whites and ½ cup butter.

Toast nuts in 325 degree oven until light brown. Fold sugar and salt in egg whites. Beat until stiff and fold in nuts. Melt butter in 2 jelly roll pans. Spread nut mixture over butter and bake 325 degrees 30 minutes, stirring every 10 minutes, until nuts are cooked with brown covering and no butter remains. Cool before in tin.
