More reasons why General Electric is America's #1 Major Appliance Value!

FAST! EFFICIENT! COOL!

General Electric Countertop MICROWAVE OVENS

Cook Foods in MINUTES—not hours!

Good!
Cook your favorite foods in less time—Compare!
Imagine baking an apple in 3 1/2 minutes—a potato in 8 1/2 minutes—a 5 lb. beef roast in 45 minutes! Defrost frozen meats in 2 1/2 min. per pound! Serve a hot breakfast in 10 minutes—reheat the evening meal for appetizers in 2-4 minutes, right on the serving plate! Cook many foods in 10% to 25% of conventional time!
Ask for the Jet 70 \$269⁹⁵

Better!
No special installation needed on any GE countertop model! Plug into any grounded appliance outlet—and cook without heat anywhere in the house: patio, den, living room, summer cottage! Because cooking's much faster, foods stay juicy and full of flavor! Select your meal from the freezer—serve it in minutes.

Best!
Extra-Large Capacity! GE's BEST SELLING Countertop Microwave Oven
Largest of GE's portables, yet fits easily on countertops under cabinets—or install in the wall like a wall oven! Beautiful interior finish. Solar freeze and charge with woodgrain handle. Easy to operate, like all GE microwaves! And set cooking time and power. Cook it! Oven shuts itself off at end of cooking or...
