Dear Claus,
My name is Sara Ellen Booth. I am one year old. This will be my first Christmas that I will be old enough to get excited about.
I have already started tearing the pretty lights and bows off our Christmas tree. I have learned what the word "no" means and I'm being a good girl when Mommy, Daddy and Nana tell me that's a "No."
I would like you to bring me a talking telephone, a play watch, doggie, and a "chee." I'm going to go to bed early on Christmas Eve so you will have plenty of time to visit me.
Your little girl,
"Boo-ee" Doll

Dear Thanda Kew,

For Christmas I'd like to have a choo-choo train, a tractor and an airplane I can ride on. And please don't forget to bring Papaw Woody's gifts to my house.
Merry Christmas,
Joshua

This Christmas I'd like to have a Big Wheels, a putt putt train, and a back hoe like the City men, so I can build some new roads in our yard. My Nana and I will be leaving for California Christmas afternoon, so I'd appreciate it if you could wake me as you leave, so I can
